At Preston Realestate group, we are a well-established, independent real estate company with a wealth of local knowledge and experience in the West Australian property market.

With 180 years of combined experience, we understand that a property transaction for most people will be one of the largest and most significant decisions they will ever make. It is our mission to make it an experience that is informed, stress free and memorable.

Our portfolio covers property development, residential sales, property management, commercial leases and sales and land subdivision.
