

Mater Christi Catholic Primary School

Volume 12

6th May 2016

Dates for Next Week

Dear Parents & Caregivers

SAVE THE DATE: Fr Bryan's farewell celebration will be held on Tuesday 24 May starting with Mass at 9am, gift presentation from the school, followed by a morning tea in the Mater Christi Community Centre. We look forward to having you join us.

Mothers' Day

This Sunday is Mothers' Day – a day when we honour all our mothers, grandmothers and mother figures who enrich our lives. We acknowledge their unconditional love and their nurturing guidance and wisdom in our lives. It is a day to cherish the invaluable and sacred role they play in the cycle of life - from childhood through to adulthood.

To all our mothers in our School community, grandmothers, godmothers and special women in the children's lives...we wish you a beautiful day on Sunday as we celebrate and remember the gift of our mothers. Thank you for who you are and all you do.

It was wonderful to see so many mothers at our lovely Mass. Appreciation and thanks to each and everyone who helped make our celebration so special especially to our Year One Teachers and Assistants who organised the lovely Mass.

Our students have been excitedly shopping for their Mothers' Day gifts in the undercover area this morning. Many thanks to the P&F for coordinating this event, setting up yesterday afternoon, buying, sorting and for wrapping many of the gifts and to all the Dads who helped with the stall this morning.

It is always a fun time watching little people buying something special for mum. Remember no peeking in those bags until Sunday!

A Prayer for Mothers

Dear Lord

Give them the strength to love and to be loved in return.

Give them the support of family and friends as they care for the physical and spiritual growth of their children

Give them joy and delight in their children to sustain them through the trials of motherhood.

Most of all give them the wisdom to turn to you for help when they need it most.

Monday 9th May

9am Mass (PPA)

Tuesday 10th May Naplan

NAPLAN

Next week the students in Year Three and Year Five will sit the NAPLAN test. This testing is an Australia wide test completed under set conditions to ensure reliable, nationally comparable results across all schools and sectors. They are 'a snapshot' of a student at one point of time in his/her learning. Many factors can influence a student's performance on the day such as illness, a family crisis, lack of sleep, and anxiety.

Therefore, it would be wrong to define a student's capability and capacity as a learner by a 'one test on a day'. A student's overall performance cannot be measured by any one NAPLAN result. Student growth is a daily, life-long journey. At Mater Christi our teachers have ongoing data on every student and they use this to inform their teaching and learning on a daily basis. The work that teachers do every day is enormous. When NAPLAN results are received at the end of Term Three our school will use the information as a guide to measure the effectiveness of our teaching in literacy and numeracy.

How to best support your child

- *Ensure your child has a good night's sleep.
- *Give them a solid healthy breakfast – but don't overload them.
- *Provide healthy snacks and lunch on test days and plenty of water.
- *Kids pick up cues from us – so keep it low key.
- *Encourage your child to do their best but don't put any pressure on them - emphasize that this is just one of many tests they will have during their schooling and it is designed to support their learning.
- *Most of all – reassure them that you are proud of them for who they are - not what they can do.

A good news story

Recently one of our Mums came and saw me. She told me that she often hears the children use beautiful manners, saying please and thank you. I hope you are proud of our children, because I am. They are a credit to you, their parents.

Religious Education

LifeLink

All mission money collected this term will be donated to Life Link in order to support people in need within our community. This year LifeLink Day will be officially launched on **Wednesday 8th June**.

Students are invited to make a gold coin donation for LifeLink Day and will be given a 'paper link' to represent their generous support for people in need in the community. These links will then form part of a chain, which each class will produce. We will then join together and 'link' individual class chains, making one long school chain – a powerful example of our students joining together to help people in need within the community and to celebrate LifeLink Day.

For more information about LifeLink Day, visit their website <http://www.lifelink.com.au>

Mother's Day Mass

Thank you to our Year One teachers and students for preparing the beautiful Mass this morning. We hope all the wonderful Mums in our community have a special day on Sunday.

Best Wishes

Courtney Dunsire
Assistant Principal

After School Sport

This term will see the Afterschool Sports Club participating in BOWLS! This underrated game is a great opportunity for children of all sporting abilities.

Below are the times for each session If you are yet to sign up, please see Mrs Williamson in 6C.

Year 4-6 Monday 3:30-4:15	Year 1-3 Thursday 3:30-4:15
9 th May	12 th May
16 th May	19 th May
23 rd May	26 th May
30 th May	9 th June

Morning Tea

On Monday we invited the residents from Southern Cross Village Success to join us for morning tea and performances from our Senior Choir and Year Four students. Our Year Five students had morning tea with the residents and everyone had a wonderful time. Our visitors commented on how talented our students were and their beautiful behaviour. A huge thank you to our Year Five parents who brought in and prepared morning tea.

Kindy

Welcome back to Term Two. We hope you had a restful holiday and are ready for a very fun and busy term ahead.

Our main curriculum focuses are:

- Developing vocabulary and speaking in short sentences
- Continuing name identification and name writing
- Improving our Peggy Lego Pre Writing Patterns
- Awareness of print concepts
- Establishing rhyming skills
- Learning about initial sounds
- Reinforcing one to one correspondence
- Introducing subitising skills
- Investigating size
- Making Jesus Real in our lives.
- Exploring our five senses and learning about ourselves.

Parent Roster

Term Two will see the continuation of our Parent Roster. The children love having their parents in the classroom. In order for your time to be used effectively while you are on roster, we will ask you to carry out tasks such as:

- Helping with morning literacy activities
- Interacting with children in a meaningful way
- Monitoring an activity
- Being involved in fruit time routine

We appreciate your help and support.

Morning Peggy Lego Practice

After children have placed away their Kindy items, we ask that you sit with your child and practice one of the Peggy Lego Pre Writing Sheets at the tables. With each practice please talk through each verbal prompt with your child as they physically complete the formations correctly. This is a valuable experience to develop their future writing skills. Upon completion of the page can you please erase their practice, then sit with a book or puzzle with your child until the tambourine rings for the commencement of class. Morning Peggy Lego Practice will commence from week two.

We will be exploring many enjoyable art and craft learning activities which you will see hanging around our bright and colourful classrooms or sent home to go inside your 'Making Memories' folder. We can't wait to share this experience with you all.

Pre Primary

Welcome back to another busy and exciting term!

This term we will begin our learning around the theme 'Community'; starting by learning about our church community and talking about how God wants us to belong to the community of God's family – the Church.

We will also be exploring the places and workers in our local community by taking an excursion to Tony Ales.

For the second half of the term we will be learning about our great country Australia and exploring this theme through rich Australian literature.

Our Literacy program this term will continue with us learning the rest of our sounds and matching those sounds to the written symbols. We will also look at three letters CVC (consonant vowel consonant) words (e.g. dog, mat, rug) and will be working on hearing middle and end sounds in these words.

In Numeracy we will continue to develop our understanding of numbers to 20 including recognising the number symbols at random, counting and ordering numbers forward and backwards, one to one correspondence, writing numbers correctly and counting on from any starting point.

This term we will be joining the rest of the school in going to Assemblies and Masses which is very exciting.

Year One

Welcome back to what will be another busy and challenging, but exciting second term.

In Literacy we are exploring a range of different text types, working on our reading comprehension skills, continuing to practice sentence structure, and using punctuation effectively.

The main focus in Numeracy will be enhancing our mental maths skills through a variety of activities. We will also be exploring time and money. In History and Religious Education we will be discovering the past and present and how things change over time.

Thank you for your ongoing support.

Year Two

Welcome back everyone to what will be another busy and exciting term with our Assembly fast approaching in week three.

In English we will be exploring fairy tales and learning how to write narratives. We will start the term off learning about multiplication and division in Maths and then we will be covering Measurement and Geometry in the second half of the term.

In our inquiry program, students will have the opportunity to investigate communities and how they shape our society.

In Religion we will be covering the unit Beautiful World, Beautiful Me in the first half of the term. This unit explores the beauty of creation and the Sacrament of Baptism. We will then work on the unit Gathered Together, which teaches us about the importance of Church and coming together as a community of faith.

Year Three

Term Two is time for the Year Three students to cook up a storm as they discover how to write procedures and develop description in their writing. They will continue to build their knowledge of reading comprehension skills, through guided reading activities.

Religious Education this term takes students on a discovery of what the true meaning of sin is and how we can show love to others, along with understanding why we receive Communion.

In Maths we will continue to work on Number and our Times Tables. Money, Time and Measurement will also be a focus this term. We look forward to an exciting and busy Term!

Year Four

Term Two is looking to be another busy one in Year Four.

In Religious Education we are covering the units Creator of Human Life and Coming to Your Table as we prepare for our First Holy Communion early next term.

In English we are learning about the different techniques used in poetry and how to write procedures. In Mathematics the topics of Multiplication, Division, Graphing, Measurement, Time and Money are being covered.

We are lucky enough to travel to Kings Park this term to consolidate our learning on Environments in Humanities and Social Sciences, whilst also looking into how rules and laws are made in Australia in the second half of the term.

For Health Education, we will be learning about bullying and building social relationships. We welcome Miss Chamberlain to Class 4C this term from the University of Notre Dame and look forward to working with her in our classes.

Year Five

Welcome back to Term Two. We hope you had an enjoyable and relaxing holiday.

This term we are very excited about our Market Day, the children will be all running stalls in groups selling products which they would have designed and made. The Market will be held on the 14th of June during recess and lunch. On the 19th of May representatives from the Commonwealth Bank will visit us to talk about their StartSmart program to help teach us more about money and how to save. A future entrepreneur may lie within!!

In Literacy our main focus is Poetry. We will be reading, analyzing and finally writing some wonderful poems.

Our Religion topics for Term Two are 'All Creation Give Thanks' and 'Relationships Restored'. Our boys are lucky enough this term to take part in the 'Good Guys' program with Mrs. Rebecca Rowland whilst the girls learn about living a healthy lifestyle.

Year Six

Welcome back to school for Term Two. We hope everyone is refreshed and ready for what promises to be a very busy term.

During Literacy Dedicated Time we will examine persuasive devices and strategies, which will then lead us into debating. This will culminate in a Debate Night to be held in Week eight. We would love to see you all there to make this night as memorable as it promises to be. We will also be reading the novel "Holes" independently and will continue to focus on reading comprehension strategies during our Guided Reading Sessions.

Our Numeracy Dedicated Time will see the Year Six students exploring the 'Cartesian Coordinate System' and comparing a range of data displays while interpreting their results. This term will also give all students the opportunity to apply their mathematical knowledge to inquiry-based tasks.

During Religion we will explore Sacraments of Initiation, with a focus on Confirmation and Eucharist.

Additionally, in Health we will learn about our relationships and how we can better manage time and conflict. In HASS we will be focusing on Economics and Business and we will endeavor to design and make an App in our Digital Technology lessons.

This term is action packed with events! We have our assembly to look forward to and the Lightning, Cross Country and Interschool Carnival. Hold on tight, its going to fly by!

Merit Awards 13th May 2016

PPA	Doreen Yang, Mason Porter , Amira Moutinho
PPB	Jordan Trimboli, Brooklyn Loreto, Leah Heeps
PPC	Isla Adams, Arlia Bebek, Michael Raffaele
Year 1A	Mark Doria, Asten Forde
Year 1B	Brielle Siljeg, Kasey McKenzie
Year 1C	Steele Simons , Theresia Baretto.
Year 2A	Rhys Millington, Miranda Lavery
Year 2B	Abbey Rivett, Tyler Rodden, Pari Patel
Year 2C	Brody Kaciuba, Alexis Rasmussen
Year 3A	Samuel Pendleton, Charlotte Dawson
Year 3B	Luca Galipo, Javier Da Silva
Year 3C	Zac Johnston, Ella Shields, Sophie Weeks
Year 4A	Liam Elliott, Lincoln Casey
Year 4B	Jaxon Hall, Tiahna Commins
Year 4C	Tayla Rijavec, Devon Shersby
Year 5A	Isabella Campeotto, Luca Nici, Daniel Skelton
Year 5B	Jack Hunter, Tahlia Shields, Daniel Nicholson
Year 5C	Max Gadsden, Samuel Petrovic, Sarah Pelosi
Year 6A	Adrian Menner, Aliyah Portinha
Year 6B	Emily Hey, Shaun Tan
Year 6C	Owen Rooney, Krystal Lewis

Drama

The juniors will continue with the focus of

"Creative Play and using our Imagination". The

students enjoy and feel very comfortable in the world of make believe! The development of their confidence is certainly evident. Along with this there will be some classes that will have a focus on **choral speaking** in preparation for the **Performing Arts Festival**.

The senior focus is on **"Readers Theatre"**, the emphasis is on reading aloud with expression. The group support in this situation is often enough to allow those who are weak readers to participate fully and develop their confidence! This can then lead onto staged performances with props and costumes within the classroom setting and even the stage! It is in this situation where we then develop the skills of performance.

RESILIENCY

1. **The Friendly Schools Plus** resource will continue to be a focus, as this term we look at *'Self Management'* – dealing with regulating our emotions, resilience and self-motivation. A reminder our aim is to develop the student's social and emotional intelligence and this fosters the prevention of bullying behaviours.
2. **M.J.R. (Making Jesus Real)**. This programme will also continue to be a focus throughout the school. MJR has a simple message – Jesus is part of our lives and can change the way we live, we can make Jesus real through our daily actions and words. Students learn about having a positive attitude and that their actions, attitudes and behaviours have an impact on their relationships. MJR provides students with a language that allows them to evaluate their thoughts and behaviours and provides strategies for alternative actions. It teaches them about being a welcoming person who encourages others, a person who can say sorry and thank you. Students learn about including people, making eye contact and the importance of forgiveness and gratitude. An important aspect of MJR is learning how to recognize God Moments in our daily life!

Mrs. Pottier
(Drama Specialist)

Music

TERM TWO

Welcome back to another term of Music with Miss Ross. This term, students will continue to learn about a variety of musical elements and skills. Pre-Primary and Year One will focus on beat, rhythm, pitch and dynamics. Year Two and Three will focus on beat, rhythm, pitch and tempo. Students in Year Four, Five and Six will continue to read, compose and perform using our percussion instruments.

PAF

Preparations for the 2016 Catholic Performing Arts Festival have started and it looks to be another exciting year for the Arts Department at Mater Christi. Many of our students will be involved in various categories including Choral Singing, Dance, Drama, Choral Speech, Bible Reading, Instrumental Solos and Ensembles.

The Festival will take place at various venues in Perth at the end of July and finish at the end of August.

INSTRUMENTAL PROGRAMME

Learning an instrument is a wonderful way to teach children discipline, responsibility and can also help boost confidence and self-esteem. If your child has not been taken for a lesson in week two, please contact me as soon as possible.

SENIOR CHOIR PERFORMANCE

Confirmation Mass

Date: Sunday 15th May

Time: Arrive 2.30pm & Pick up 4.00pm

(Mass begins at 3.00pm)

Ms Alison Ross

Music Specialist

Instrumental Programme & PAF Coordinator

Book club is due

Thursday 12th May 3pm

No cash payments or paper orders please. Please use LOOP on scholastic website.

Any orders placed after the closing date and time will be charged \$4.99 for home delivery.

Thank you

Emily Richards

Library Officer

PE

Term Two Update

Term two is going to be epic.

Everyone will be having a go at Hockey. The young ones will be using the plastic sticks and playing modified games and activities while the older crew will get to use the real stuff. They will work their way towards mini games and the King of the Field format. We will also play some soccer too.

All students have the pleasure and challenge of practicing for the Cross Country Carnival that will be held at the end of term. Each student should be pushed to do their personal best and I am seeking to improve everyone's base fitness.

There are two Interschool Carnivals this term. First up is the Interschool Basketball Carnival followed by the Interschool Lightning Carnival for all Year Six's and a couple of lucky Yr Five's. We will also be holding League Tag Trials towards the end of term.

Don't forget your drink bottles for hydration. You still sweat when it is cold, especially when training for the cross country.

Ryan Donnelly (HPE Specialist)

Topics 2016 Chemical Science

Year Level	Topic overview
PP	Explore: What objects are made of. Objects are made of materials that have observable properties
1	Explore: Bend it! Stretch it! Changes to materials. - Shape – Bending, stretching, scrunching - Material - Effect depends on what Material it is made from. - Investigate - dehydration
2	Explore: Mixtures - Different materials can be combined, - Including by mixing, for a particular purpose - Mixtures and Solutions
3	Explore: Solids/liquids are affected by temperature. - Adding or removing heat can cause a change. - Changing state, between solid and liquid.
4	Explore: Materials- uses /properties - Natural and processed materials have a range of physical properties; - these properties can influence their use.
5	Explore: Properties of the States of Matter - Solids, liquids and gases have different observable Properties - Matter behaves in different ways
6	Explore: Reversible/Irreversible changes - Solubility- soluble/insoluble - Physical/Chemical Change - Changes to materials can be reversible, such as melting, freezing, evaporating; or irreversible, such as burning and rusting

Science

Welcome back to Term Two Science.

Firstly a huge **Thank you** to Year Five and Six parents for ensuring your child handed in their projects on time, it certainly was a busy term. Your support is fantastic; I know at times it is really hard to fit everything. The ability to research and time manage are invaluable skills for our children to have in high school.

This term we are covering all things Chemical!!

Why do we use certain materials to do certain jobs??

What are reversible and irreversible changes and what are the States of matter?

Different classes are wondering about different aspects of the chemical sciences.

If you have a special interest in any aspect of our curriculum (see outline for this term), please let me know it would be great to have you come into talk with our students.

See you around the school
Mrs Ziegelaar

Parish News

Sacramental Program

Confirmation Meeting

This meeting will take place in the Mater Christi Church on Wednesday, 11th May at 3.30pm. All Confirmation candidates must attend.

Confirmation Practice

Confirmation candidates and their sponsors are required to attend a practice in the Church. Please check your Confirmation Mass to ensure you attend the correct practice. Please check details below.

Confirmation Time	Practice Time
Saturday, 14 th May at 6pm	Wednesday, 11 th May at 6:30pm
Sunday, 15 th May at 10am	Wednesday, 11 th May at 7:30pm
Sunday, 15 th May at 3pm	Thursday, 12 th May at 6:30pm

P&F News

The next P&F meeting is **next Tuesday** 10th May in the Staffroom, 7pm. We hope to see you there.
Please see previous minutes
at <http://portal.mcps.wa.edu.au/pf-minutes/>

The P&F committee are looking to improve the current Mater Christi Parents' Business Directory. This will be available as an online resource and in the parent information section in the school library. If you wish for your business to be included in this free directory, please email Michelle Hall at michellehall080@gmail.com with the following information -

Business name, product or service, Phone number, Website, Facebook/Instagram/Twitter or other social media info, logo if you have one, any other brief information you'd like to include about your business.

AUSTRALIA'S BIGGEST MORNING TEA

On behalf of the P&F, Karen Simons is organising this year's 'Australia's Biggest Morning Tea' at Mater Christi for Friday 10th June (Term 2). Please contact Karen on 0400 859 091 or at tassie47@hotmail.com if you can help with donations for raffle prizes.

MATER CHRISTI DISPLAY POCKETS

We have a brand new product to offer our parents. Mater Christi Display Pockets - to help you display important notices, your children's artwork or the school term calendar.

So many options you may want more than one!

With a strong magnetic Information strip the schools contact information will always be right where you need it and you will never misplace those important school notes again!

At \$5 each, they will be available for purchase from the P&F at a stall in the school courtyard before school each morning and from 2.30-3.15pm each day from Monday the 9th of May until Friday the 13th of May.

Please support the school by purchasing a Display Holder, all funds will be supporting new purchases for the Science lab.

CLASS REP EVENTS

- **1B – Friday 27th May – 12pm**

Lunch, The Pizza Lounge, Swanbourne. RSVP to your Class Rep by 20th May 16

The P&F office bearers for 2016 are:

Teresa Lawson (President)
Karen Simons (Vice President and Board Rep)
Belinda Weeks (Secretary)
Belinda Stokes (Treasurer)
Leonie Jones (Class Rep Coord)
Michelle Hall (Sun Smart Rep)
Marina Hayward (Parish Rep)

Any comments, suggestions or queries are warmly welcome.

Please contact us on: pandf@mcps.wa.edu.au

MUSIC

INSTRUMENTAL PROGRAMME: GUITAR LESSONS **BEGIN TERM 2**

We are delighted to announce that Mr Rudy Yusof our Guitar Tutor will be returning to Mater Christi in Term Two. If your child has not been taken for a lesson by the end of week two, please contact me as soon as possible.

ENTRIES FOR THE CATHOLIC PERFORMING ARTS **FESTIVAL 2016**

It is that time of the year again!

We are looking for students who would like to enter the Instrumental Section of the Catholic Performing Arts Festival for 2016.

Eligible entrants must be in Years Four, Five or Six.

Students should be confident in their chosen instrument and have been learning for more than one year.

Available Sections

Piano Solo
Vocal Solo
String Solo
(Guitar & Violin)
Percussion Solo

All entries are now being finalised.

If your child is interested in entering, please come and see me no later than **Monday 2nd May, Week Two.**

All entries will be submitted on Wednesday 4th of May.

Ms Alison Ross

Music Specialist

Instrumental Programme & PAF Coordinator

Canteen

We now have some delicious new additions to our winter menu! Items include

- | | |
|--|--------|
| • Butter chicken served with rice | \$4.00 |
| • Popcorn Chicken Wrap with sauce & cheese | |
| toasted | \$3.50 |
| • Spinach & ricotta rolls | \$3.00 |
| • Hot Chocolate | \$2.00 |
| • Milo | \$2.00 |

We have also changed our Slushy provider to a local franchise from Mad Slush. Their products are all natural flavours and colours and are made with 99% fruit juice.

Our delicious menu is available online at Our Online Canteen or on the school webpage.

If you have any questions or would like to volunteer any of your time to help out in the canteen, please come and see either Heidi or Joh.

We hope to see you soon!

2017 and 2018 Enrolments at Emmanuel

Places for Year Seven 2017 are now full, however we are still interviewing families who wish to go onto our waiting list to attend Emmanuel.

Year Seven 2018 interviews are now underway and due to the large number of applications we have received we envisage that places will be full by the end of the Semester. If there are any Siblings who haven't applied as yet, they would need to submit an application as a matter of urgency.

Applications can be downloaded from our website www.emmanuel.wa.edu.au

For further information please call our Registrar, Mrs Kelly Lister, on 9414 4055 or email enrolments@emmanuel.wa.edu.au

Cybersafety Parent Forum

The office of the Children's eSafety Commissioner is presenting a free workshop on:

- Popular apps, games and social media young people are using
- Online issues and behaviours
- The Office's role in assisting the removal of serious cyberbullying material
- How to report serious cyberbullying
- Strategies to encourage young people to have safe and enjoyable online experiences
- Useful links to eSafety resources

Light refreshments are included, for more information contact the Family Support Coordinator on 9411 3859.

For Parents/ carers of young people aged 7 – 18 years

Thursday 12 May 6.30pm – 8.30pm

**Cockburn Youth Centre
25 Wentworth Parade, Success**

RSVP essential by Monday 9 May on 94113444

School Banking Helpers Required!

On Wednesday mornings after the bell helpers collect the school banking satchels from each classroom and process the deposits. It takes less than an hour to complete. If anyone is interested in giving us a hand, please email Vanessa Ettridge on Vanessa.ettridge@westnet.com.au

School Banking

If your child would like to be involved in the school banking program, more information can be found here: <https://www.commbank.com.au/personal/kids/school-banking.html>
