School Traffic Guidelines and Rules The Safety Of Our Children Comes First

The Principal reserves the right to refuse entry to any driver of a motor vehicle whom he believes may conflict either directly or indirectly with the safety of any Student, Staff Member, Parent/Guardian or Official of the Mater Christi Catholic Primary School or any other child or student in his care or under his control.

The Guidelines and Rules outlined below have been implemented due to the continual refusal of some drivers to adhere to safe driving and parking practices within the school grounds and surrounding areas. Though the majority of our drivers are responsible and are always considerate of the safety of our children, some drivers forget, do not understand or refuse to accept the schools' driving and parking requirements.

It is the responsibility of the Mater Christi Catholic Primary School to ensure the flow of traffic and movement of vehicles within our car-parks and surrounding areas is as safe as possible for our children. These School Traffic Guidelines and Rules for parking will reflect that high level of responsibility and ensure our safety for all.

The authority to collect information required below for SCHOOL ACTIONS is delegated to members of our community, by the Principal.
