

# MATER CHRISTI CPS STRATEGIC PLAN

**2023-2025**

# VISION & MISSION

## **Core Purpose:**

Making Jesus  
real in the lives  
of our students,  
our families  
and our staff.

## **Motto:**

Charity in our  
Hearts

Mater Christi Primary School, in the name of Mary, Mother of Christ, exists to give witness to the love of Jesus Christ as embodied in our Catholic faith.

As a faith community, we seek at all times to make Jesus real in the lives of our students, our families and our staff. We do this by modelling gospel values in our daily work. In particular, we strive always to demonstrate deep respect for the people we encounter. We have a close and supportive connection with our parish and our liturgies are dynamic and sacred opportunities to further strengthen each person's relationship with Christ.

As an educational community, we nurture in every student a belief in their individual potential and commit ourselves to helping them achieve this while respecting and protecting the rights of each other. Students are at the centre of all our educational endeavours and are encouraged to be open to new learning experiences.

As a professional community, we are determined to make a difference to each student. We endeavour to provide a safe and nurturing environment for our students, marked by the active presence of Jesus. Our parents are our partners in all our endeavours. Relationships with families are marked by respect, courage and integrity. As a staff, we are loyal to each other and conscious that our professional lives set the tone for the school. We are clear in our purpose and priorities and each person takes personal responsibility for their unique role to ensure that we continue to grow.

# PRINCIPAL MESSAGE

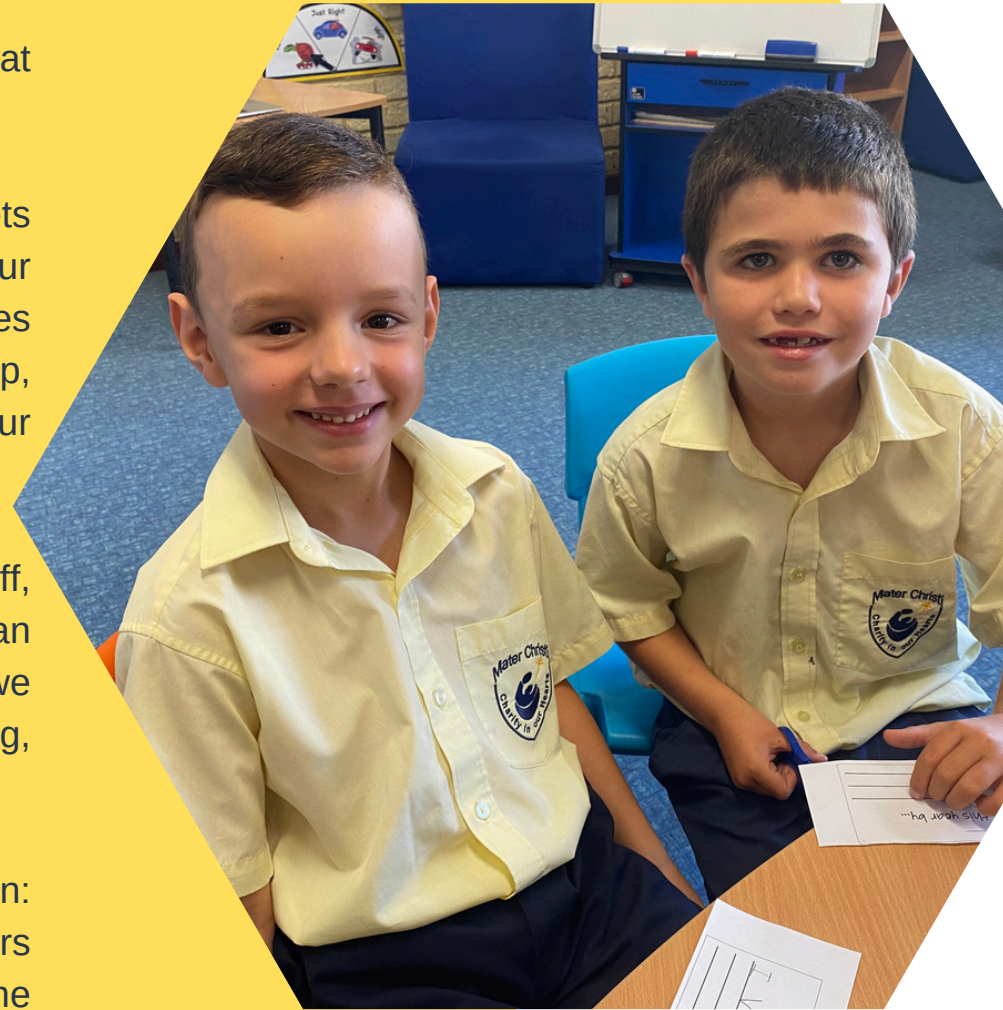

As Principal of Mater Christi Catholic Primary School, it gives me great pleasure to present our Strategic Plan for 2023–2025.

This plan represents a significant milestone in our school's journey. It sets out the strategic priorities that will guide our decisions and shape our direction over the next three years. These carefully considered priorities reflect our commitment to continuous improvement, faithful stewardship, and delivering a high-quality Catholic education for every student in our care.

Developed through thoughtful consultation and collaboration with staff, students, parents, and the wider parish community, this Strategic Plan captures our shared aspirations for the future. It identifies the key areas we will focus on to enhance teaching and learning, support student wellbeing, build leadership capacity, and strengthen our Catholic identity.

At the heart of this plan is our unwavering commitment to our school vision: to inspire hearts, ignite minds, and nurture joyful, connected learners grounded in Gospel values. Our goals are bold yet achievable, and the outcomes will serve as clear markers of progress as we move forward.

As we embark on this exciting chapter together, I thank our community for their trust, dedication, and partnership. I look forward to working alongside you as we continue to grow, learn, and thrive as one Mater Christi family.
