## **Light And Darkness Do Not Eliminate One Another**

German Jesuit Karl Rahner said something like this (this German is hard to translate): "The infinite mystery that you are to yourself and the infinite mystery that God is in God's self proceed forward together as one". In simple English, as you uncover God's loving truth, you uncover your own, and as you uncover your own truth, you fall deeper into God's mercy and love. I've certainly seen this in my own little journey. When I come to a breakthrough in my own shadow work, my own sinfulness, my own self knowledge, or in wonder at my own soul, it invariably feeds and invites the other side, and I want to go deeper with God.

In the same way, when my heart opens up inside the safety and spaciousness of God, it always invites me into deeper and daring honesty, deeper self-surrender, deeper shadow work with my own illusions and my own pretensions. The two will always feed one another, and that's why people who go deeper with God invariably have a very honest evaluation of themselves. They are never proud people. They can't be, because the closer you get to the light, the more you see your own darkness. And the closer you get to your own ordinariness (which sometimes includes darkness), the more you know you need the Light.

Dear Parents/Guardians

This week Assistant Principals Courtney Dunsire, Mark Ryan and I attended a training and professional development course called Principals as Numeracy Leaders (PANLS). PANLS, as is Principals as Literacy Leaders (PALLS) which we completed in 2013, is an initiative run through Edith Cowan University's Fogarty Learning Centre. Like PALLS, PANLS is a well-researched, long term strategy to continue to improve the teaching and learning of Numeracy. The course has been both informative and thought-provoking, challenging us to build on our practices here. We look forward to working with our team in this learning area.

Thank you to everyone able to join us for Ash Wednesday Mass this week. The start of Lent marks a time of reflection for us all before Easter, the most important moment in time in the Catholic calendar. I thank Courtney Dunsire for having Mass so well-prepared. Father Bryan spoke beautifully with the children and really proclaimed to them, as he always does. And to Ms Ross and her choir, our thanks to you too for leading the singing in such a beautiful and reverent manner.

Today's assembly was truly a joy to behold. Congratulations to the Year 5 children and their Teachers on such an entertaining event. Congratulations too, to our Student Leaders who were commissioned today. As Leaders in our school they have been elected by their peers, and play a significant role in our community.

This weekend's Fun Day will be just that – FUN! Big numbers have attended in the past and we hope the same will happen again this year. The Fun Day is followed by the Commissioning Mass, where Staff; School Board Members and our P&F Executive are commissioned by the community. As you are part of the community it would be fantastic to see you there!

Best wishes  
Mark de Kluyver  
Principal

## Religious Education

### 1<sup>st</sup> Week of Lent – Project Compassion – brings you Eric & Ma's story

Married couple Eric and Ma had an unprofitable farm and limited diet before training at the Tutu Rural Training Centre, supported by Caritas Australia. Now they have a successful farm, a sustainable income and food for life.

Comprised of over 300 islands, life in Fiji's rural communities can be isolated. Throughout the country youth unemployment is high, nutritious food is in short supply, and life expectancy is much lower than in Australia.

Eric and Ma credit the Married Couples Course at the Tutu Rural Training Centre for changing the direction of their lives and giving them the personal and agricultural skills they needed to raise a healthy, happy family and grow food for life. Tutu runs courses to teach people from the remote northern islands of Fiji the skills they need to build strong relationships, maintain healthy families and become successful farmers.

After their training at Tutu, the farm now flourishes. Most of the family's daily food is grown in their own fields. Growing their own food helps the family avoid the serious health problems that many Fijians experience due to a lack of fresh fruit and vegetables in their diets.

**Your donation to Caritas Australia's Project Compassion provides support to programs such as the Tutu Rural Training Centre.** [www.caritas.org.au](http://www.caritas.org.au)

### Caritas – Project Compassion

Each year Lent offers the opportunity to share what we have with those who have less. This year's theme is 'Food For Life.' Every classroom has a small Project Compassion money box. Money boxes will be collected towards the end of Lent and we ask that all families contribute to this worthy cause.

### Giving Day

A gentle reminder that every Friday at Mater Christi is Giving Day. All donations of non-perishable food items would be greatly appreciated.

Best Wishes

Assistant Principal

## Italian Language Classes

Funding for the Italian Language Classes that runs in many schools in WA, including ours, is set to conclude at the end of 2015. This program has run for a total of 36 years in mainstream Western Australian Schools. There is a petition in the school office which is asking the state government to reverse its decision to cut funding. If you could make time to sign this petition it would be very much appreciated by the Italo-Australian Welfare and Cultural Centre and the many schools across WA who they provide Italian language classes for.

Thanks  
Mark Ryan  
Assistant Principal

## Kindy Morning & Afternoon Teas

We invite all Kindy KA / KC Parents to join us for morning tea at 9:15am on Monday 23<sup>rd</sup> February or afternoon tea at 2pm on Tuesday 24<sup>th</sup> February for KB / KD Parents.

Thank you to our P&F who will be hosting these gatherings in the **staffroom**. If you have a child in Kindy, please come along and hear from your P&F as well as members from our leadership team about the plans for 2015.

This year we are having one morning tea and one afternoon for the first time, in an attempt to provide a suitable time for everybody. Younger siblings are also welcome to come along. We hope to see you there!

## Class Contact Lists 2015

At the start of the new school year, the Class Representative Coordinator compiles a Class Contact List for each class in our school.

Information on each list is for the exclusive use by parents in that particular class only and is not to be shared. The sole purpose of the List is for your Class Representative to better facilitate communication between parents, P & F and classroom teachers.

Each list contains details such as student name, Mother's mobile number and email address and Father's mobile number and email address. Your family details are collected from administration records.

In Week 1 you would have received a *Full Family Details* form containing all your family's personal details and an accompanying letter from school.

**Final Reminder** - To ensure that your details are accurate on your child/ren's Class Contact List(s), I ask that you please check your details on the *Full Family Details* form to ensure all the information is correct, sign the form and return it to the front office by the deadline of **Monday 23<sup>rd</sup> February 2015**.

Class Contact Lists will be distributed in Week 5.

If you require any further information regarding Class Contact Lists, please contact Cheryl Cutri, Class Representative Coordinator at [ckcutri@iinet.net.au](mailto:ckcutri@iinet.net.au).

## 2015 Class Representatives

Not sure who your Class Representative is? Look out for the gold coloured signs displaying your Class Representative's name which have been placed outside each class room.

A complete list of all Class Representatives for 2015 are displayed on the P & F noticeboards located in the junior and senior courtyards.

## P & F News

Are you wondering whether or not to put up your hand to join the P&F at Mater Christi?

Wondering what the benefit to your child might be?

- Better social skills
- Enhanced student wellbeing
- More consistent completion of homework
- Better transitions to high school and beyond
- More realistic planning for the future
- Better attitude towards school
