SCHOOL MANTRA 2019

"Find happiness in making others happy" – Mary MacKillop

Dear Parents and Caregivers

Your Favourite Lenten Memories

Whether we have decided to do something new this Lent, or have continued our own traditions, our Lenten practices transform us and imprint on us memories that carry deep meaning. Let these stories invite you to consider your life and discover your own powerful and meaningful Lenten Moments.

What You Learned from the Kids

While helping our children enter into Lent each year and encouraging them in meaningful Lenten practices, their simplicity, fervor, and authenticity can teach us more than the finest sermon.

Seeing Jesus in Others

A lesson I learned from my children happened on Holy Thursday when we stopped after Mass to pray at the altar of repose. My daughter, who was four years old, watched our fellow parishioners kneel to pray and look reverently on the Blessed Sacrament. As we left she asked, "Why do they kneel down and look like that?" I answered that it was Jesus and they were kneeling because they loved him. She innocently replied, "But if Jesus is in all of us, why don't they look at each other that way?" Her words have followed me all these years as I sometimes struggle to see the face of Jesus in others.
Joanne, A.

Dates for Next Week (Wk 10)

Monday 8 th April	Edudance Concert "C" Classes at 2:15pm
	Parent/Teacher Interviews 3:15pm-6:30pm
Tuesday 9 th April	Edudance Concert "A" Classes

Holy Week Reflection

This morning, we were led by the Year 6B students to reflect on the last few hours of Jesus' life - The Last Supper, Jesus' praying in the garden, his arrest, crucifixion and burial. Tonight at 6pm the students will lead the Parish in prayer and reflection with their Holy Week re-enactment. Everyone is most welcome to attend. Thank you to Mrs Pottier in preparing the students and to Miss Edmondson and Ms Ross for their support. Our Year 6B students really took their roles to heart, making their words, actions and expressions convey so much meaning. Please take the time to view the photos in the Newsletter.

Parent Teacher Interviews

The teachers have already begun meeting with parents, with the majority of meetings being held next Monday and Wednesday 3.15pm – 6.30pm. This is a very important time for both teachers and parents to discuss the academic, social and emotional growth of each child and if there are any areas for further development then how can parents and the school work together to best support the child. I know that we all appreciate the time the teachers put into preparing to meet with you and also in staying late at school, two nights in one week.

Winter Uniform

From the beginning of Term Two, the children in Years One - Six return to school in their full winter uniform. Please refer to the school website which lists the uniform requirements for both the girls and boys. Thank you to Simone Douglas, our Uniform Manager for making sure that all orders are filled promptly and in helping parents with second hand uniforms. Full winter uniform is also required for the school photos (including jumper) for Wednesday to Friday of Week 1. (Timetable can be found on page 6.)

Interschool Swimming Carnival

On Tuesday Mr Donnelly, Miss Gibb with about 30 competitors will attend the Interschool Swimming Carnival at the Rockingham Aquatic Centre. It will be a perfect day for the swimmers to be in the water, competing for their school and attempting to achieve their personal best. It has been a big week for them with early morning training where everyone put in a big effort. Thank you to the parents for your great support during training and in coming along next Tuesday to cheer on our swimmers.

Active After Schools Sport

Thank you to Mrs Hills for coordinating this after school activity and to the staff who have given of their time to run/support the sport sessions. Unfortunately, we have not been successful to receive a grant for next term as the governing body is giving schools who were not successful in Term One the opportunity in Term Two. Mrs Hills will put in for another grant for Term Three and let's hope we are successful next time.

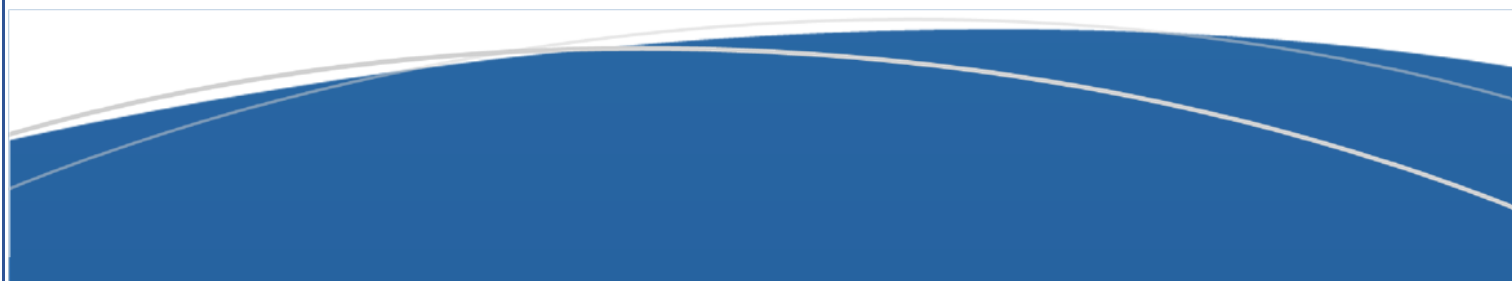

Staff Development Day

Next Thursday the Mater Christi staff will be inspired by the creator of Making Jesus Real (MJR), Peter Mitchell. MJR is about bringing faith to life for all of us, especially our students, by showing them how to live it every day. It's about finding the God moments that are always happening around them. MJR is incorporated into everyday life through the use of manners, a positive attitude, showing tolerance towards others, using encouraging language, being tuned in to Jesus' spirit and so much more. MJR is a way of life. It will be a fantastic day of learning for our staff and one which I believe will have a positive impact on the learning of our students.

As this is the last newsletter for Term One I wish all our families a very Blessed Easter and Happy Holidays. The staff and I look forward in welcoming you back to Term Two on Monday 29 April.

Go the Dockers!

*God Bless,
Toni Kalat*

Important Dates for Next Term:

Monday 29 April

- Pre-Primary -Year 6 Commence Term 2
- A&C Kindy classes commence
- Kindy speech screenings

Tuesday 30 April

- B&D Kindy classes commence
- Kindy speech screenings

Wednesday 1 May

- School photos
- Kindy speech screenings

Thursday 2 May

- School photos

Monday 3 June

- Student free day (WA Day)

Friday 5 July

- Last day of Term 2.

Religious Education

Easter Reflection

This morning, the Year 6B students had the honour of performing the Easter Reflection in front of the whole school. For the past 4 weeks, the students have worked very hard to create a moving and sensitive dramatization of the journey of Jesus. Hopefully an experience that has been meaningful not only for them but for those who were part of the congregation.

Miss Edmondson and I are very proud of all the students who performed. The actors who held their freeze to create each scene are to be commended. I would like to make special mention to Rhys D who played the part of Jesus. It was a beautiful performance from one so young.

Also our readers, Peter W, Bianca D and Bridget E who managed to deliver the story so eloquently.

A special mention must go to the beautiful singers, Ruby D (Yr.6), Katia D (Yr.6), Grace S (Yr.5), Olivia B (Yr.5), Daisy O (Yr.5) and Ziana D (Yr.2) who sang like angels and set the scene.

I consider the final scene to be the most moving moment of the performance. A moment where somehow Year Six boys have been transformed into the Apostles carrying Jesus to his tomb. A poignant moment that.... Makes Jesus Real.

Pat Pottier
Drama Specialist

A Note From our Year 3 Students

Our Allergy Awareness Incursion

On Monday 1st April the Pre-Primary – Year Threes went to an Allergy Awareness talk. It was an incursion in the Community Centre. It was about what allergies can affect other people and make sure that no one eats food that they are allergic to. We learnt about what to do if someone has an allergic reaction and they we need to ask a teacher for help if we think someone is having a reaction. The people might have hives or be finding it hard to breathe.

We heard about a story where a young kid was learning about all the things he was allergic to and there are 9 main foods people can be allergic to.

Top tips:

- Don't share food or drink
- People with allergies should always carry their EpiPen with them
- Include people with allergies in everything – don't not invite them to your party just because they are allergic to something
- Always wash your hands before and after eating
- If someone looks like they are having an allergic reaction get help straight away
- Allergic reactions are serious, call 000

By Samira, Zoe and Tim 3C

A Note from our Year 5 Students

Year 5 Excursion

by Nithika, Pari and Gemma

On Monday the 1st April we (Year 5s) went to Perth Hills Discovery Centre for our excursion. We all found it very interesting as we learnt about bushfire safety, fire truck operation and emergency evacuation. We found it tremendously fun and at the end we got to spray our friends with the hose. We were instructed by three extremely nice (and funny) people. We left happy, but tired, and we hope we all go there again.

Earn & Learn is starting between 11 May and 25 June please start saving your tokens.

Anyone can earn stickers to help local schools

The Woolworths Earn & Learn program gives schools and Early Learning Centres around Australia the chance to earn amazing school equipment. In 2017 we had over 15,000 schools and Early Learning Centres involved, and delivered over 300,000 new pieces of equipment to kids all over Australia.

Here's what to do:

- collect** Between 1 May and 25 June 2019, collect as many stickers as you can.
- stick** Stick them on the sticker sheets and give them to your local school or Early Learning Centre. Or drop them into a collection box in store.

Don't forget, you can always download and print extra sticker sheets at woolworths.com.au/earnandlearn

Need more information?
To read our Frequently Asked Questions and Terms & Conditions visit woolworths.com.au/earnandlearn

Sticker Sheet

Let's stick together with Earn & Learn

Sustainability Corner – Worm Juice for Sale!

Worm leachate, or “worm juice” is a highly nutritious and organic food for plants. Thanks to the school worm farm, worm juice is now for sale from the Science classroom before school. The cost is \$1 per litre, with most bottles being 2 or 3 litres in size. It is an excellent fertiliser for pot plants and vegetable gardens!

Science News

A massive thanks to the Miguel family who have very kindly donated one of their spiny leaf insects to the Science classroom as a pet! The yet-to-be-named insect will be helping teach the students lots of different things; from what it needs to survive (Pre-Primary) to how it has adapted to its habitat (Year 5). The students and I appreciate this kind gesture.

Haylee Klup
Science Specialist

Miss McNally's IT Corner

Apple Device Sales 2019/2020

Over the next year we have a number of leases that are coming to an end. Once again, we will be offering the community an opportunity to purchase **either** an iPad or a MacBook. Below is a timeline of when these sales will be happening.

Junior iPads – Sale date: End of Term Two 2019, Approximate Price \$170

- Space Grey
- 5TH Gen Wifi
- 32GB storage
- 2 years old
- Charger included

MacBook air – Sale date: Term Two 2020, Approximate Price \$350

- 11inch
- Early 2015 model
- 3 years old
- 120GB of storage
- Will be out of warranty but serviced before sale
- Charger included

In order to offer this wonderful opportunity to as many families as possible, there will be a limit of **one device** per family, meaning you will only be able to purchase either 1 iPad or 1 MacBook.

An expression of interest form for the iPads along with further details will be sent out in Week One, Term Two.

Please watch the newsletter for further information.

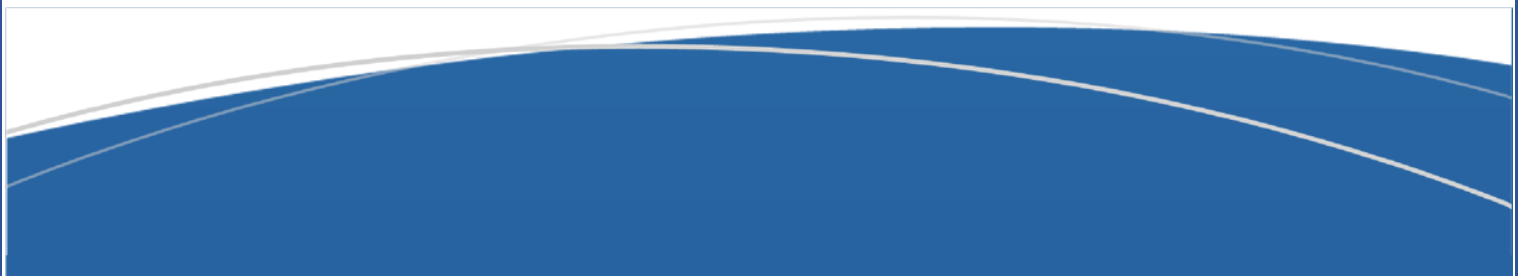

Office 365 Licences

As a part of the CEWA license agreement with Microsoft, all students are eligible for Office 365 Education, which includes Word, Excel, PowerPoint and other classroom tools. Each student receives 5 licences for PC or Mac, 5 for tablets and 5 for smartphones.

If you wish to use these licenses at home please go to the link below and enter your child's email address.

<https://products.office.com/en-au/student/office-in-education>

All students in Years 1-6 will have a CEWA email address and password in their diary. If your child is in Pre-Primary or Kindy and you wish to use these services, please contact admin@mcps.wa.edu.au and we can send through those details for you.

School Holiday Digital Balance Challenge – www.cybersafetyproject.com.au

With extra time to relax, recoup and regenerate over the school holidays children naturally gravitate to technology to consume and play. These school holidays we are encouraging families to explore a digital balance when it comes to screen time and discover ways technology can be productively integrated into our lives. Here are the Cyber Safety Project we often get asked 'How much screen time should we allow our children'. In response we ask you to consider the type of activities your children are engaging in - are they creating or consuming? These activities are vastly different and require children to access different cognitive functions. When children CREATE, DISCOVER and SELF REGULATE with technology they make new connections, stimulate their own imagination, set goals and uncover new passions.

Shift the focus of technology use in your household these school holidays by accessing our School Holiday Digital Balance Challenge Calendar.

Kind regards,
Katie McNally
IT Co-ordinator

Tips for Parents

Monday Monitoring – use every Monday as a scheduled day to check in with your children on their online habits.

"If they have it, you should have it." - If your child has Snapchat, so should you.

"Team work makes the dream work." – Set up your child's social media account with them and ensure you set all settings to private.

Read Up – Knowledge is power - If your children are using social media or are on a device you need to stay current. Check out our blog at www.cybersafetyproject.com.au for regular updates.

"Let's be mates" – if your child is using social media, a non-negotiable should be that you are to "follow" and be "friends" with them.

Screen Time Policy – 1. Always in communal spaces of the home (never in private). 2. Scheduled screen free time for ALL family members.

Holiday Digital Balance Challenge

CYBER SAFETY PROJECT

	Week 1	Week 2
Saturday	Reset Reset these holidays download Smiling Mind App. Make it a mindfulness day.	Discover Research a playground you and your family haven't been to before and visit it.
Sunday	Explore Search for bike tracks in your local area and go for a family ride.	Train Train our brain by downloading Peak – Brain Training Smart Games.

Plain black t-shirt and long black pants.

Horizontal strip of yellow cloth/duct tape across chest, and a vertical stripe down left thigh.

Tape available at Bunnings

All students must wear sneakers. Please no sandals or thongs – THANK YOU

NetSetGO Netball 2019 at MCCPS

The NetSetGO skills-based netball program will be running at Mater Christi again in Term 2. This national program incorporates skills, learning activity and introductory game play. Further information can be found at <http://netsetgo.asn.au/parents/faq/>.

We can currently provide this program for year 2's and 3's (**7 x places available**). We'd like to also offer the NetSetGo program to year 1's, however we do not have a year 1 coach at present.

As our year 1 program (numbers capped at 8 participants per coach + preferably an assistant) is dependent upon a suitable coach being willing to volunteer their time, we are keen to hear from anyone interested.

Coaches will have all session planning done for them should they wish or they can run their own training but must be able to commit their time each week for the duration of the program.

Term 2 NetSetGo will run from 07 May 2019 to 01 July 2019, 3:15pm - 4:15pm on Mondays (8 sessions). The cost is \$70. Netball Australia will send all participants a pack which will include a size 4 netball and a NetSetGo T-shirt.

For those who have participated in Term 2, the Term 3 is offered at a discounted rate should this go ahead.

The registration link for Mater Christi Catholic Primary School participants is:

<https://netball.resultsvault.com/common/pages/reg/welcome.aspx?type=6&id=44321&entityid=69000>

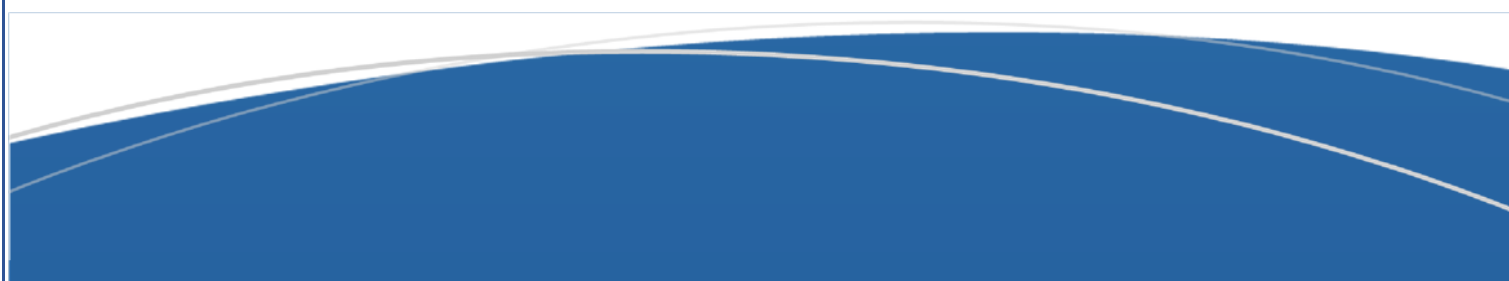

Feel free to contact me with any questions.

Leeanna Rodden

MCCPS NetSetGO Centre Coordinator

admin@um-aus.com

Save the Date:

Australia's Biggest Morning Tea Term 2, Week 5 Friday 31st May, in the MCCC from 9am. We invite families to kindly donate items for raffle prizes for this up and coming event. We will accept small or big gifts, whatever you are able to donate will be much appreciated to help us fundraise for an important cause. Please drop off your donations to the administration office as soon as convenient so we can prepare for our biggest morning tea party! Any queries contact Vicky 0409113027.

The Good Cup Cafe opened for the first time for Term 1 on Wednesday morning. Thanks to Adele Hugo, Olivia Rodriguez, Rebecca Exham and the fabulous treat makers for volunteering to run the cafe for the morning. We are in need of helpers and food donations for the next Cafe, if you can help, please contact Adele. Next cafe will be open Tuesday 21st May 8.30-10.30am, class reps you could book in a social date for your next class event. You are missing out if you are not calling in, the coffee is delicious.

The P&F Brainstorming Session meeting was held this morning and was full of fabulous ideas, from outdoor play, indoor activities to learning and IT. A survey will be put out next week for anyone who was unable to make it today but would like to contribute. Discussion will be held at the May P&F Meeting regarding spending P&F funds.

P&F Volunteer Needed:

The *Food Coordinator* position is currently vacant. This is a great opportunity to be involved in both P&F and school activities, which involves emailing parents to seek donations of food for masses, morning teas and functions, and assisting at these events as your time permits. Please email the P&F for a more detailed description.

Father's Day Breakfast volunteers:

A volunteer or two is required to coordinate the Father's Day Breakfast on Friday 31st August. If you are interested in doing this, please contact the P&F.

Contact the P&F by email at materchristipandf@cewa.edu.au

Entertainment Book 2019-2020 Entertainment Book available for pre-order. Bonus Early Bird Offers end soon, pre-order now! Both digital and book versions are available.

<https://www.entertainmentbook.com.au/orderbooks/8q6017>

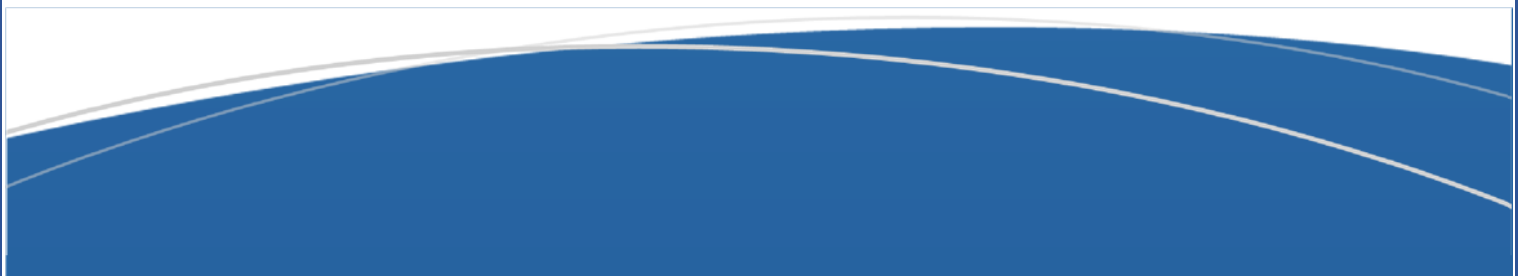

Seeking a Graphic Designer We are under way with planning our quiz night, we are putting out a call for a graphic designer. Are you a graphic designer or do you know of one that would donate their time to assist us in making a flyer?

Please contact Giulia on 0403489252.

Next Meeting Date Tuesday 14th May 7pm, Staff Room.
