Dear Parents and Caregivers

SCHOOL MANTRA 2019

"Find happiness in making others happy" – Mary MacKillop

Feast of the Body and Blood of Christ (Corpus Christi)

This Sunday we celebrate the solemnity of the Body and Blood of Christ. Jesus' ministry was a giving of himself for others which came to a climax on the cross. The Last Supper is strategically placed in the Gospel narrative as the summation of Jesus' ministry and the anticipation of his self-giving on the cross. So, too, with us and Eucharist: it is the source and summit of our own self-giving in ministry and life. Eucharist sustains us through Ordinary Time to live out our identity and mission of self-giving. Truly this Bread and this Wine is the real presence of Christ. Just as truly are we who consume this Bread and Wine the Body of Christ. The children preparing to receive their First Holy Communion later in the year will make their commitment at this weekend's Masses. I know you will join me in praying for them as they take this next step on their journey with Jesus.

Loving God, everyday reminds us of your love and care.
In Jesus, your Son, we have food from heaven, our daily bread.

Bless us as we make our commitment in preparing to receive Jesus in Holy Communion.

May we come closer to Jesus and to each other. Amen.

Year 2 Assembly

Today, we were thoroughly entertained by our Year Two students putting forward impressive persuasive arguments as to which faction is the best. The final outcome is that all are 'simply the best' and that we at Mater Christi are 'champions'. Thank you to the Year Two students and their teachers for a very entertaining and energetic Assembly.

Cyber Security Incidents

Catholic Education Western Australia (CEWA) has recently been subject to targeted cyber security incidents.

As CEWA has systems and measures in place to monitor and respond to cyber security incidents, the impact of recent incidents was quickly mitigated. In this instance, CEWA also engaged a specialist cyber security firm to review and validate CEWA's processes and mitigation actions.

Often, with sophisticated attacks of this nature, there is the risk that individual users may inadvertently provide access to data. CEWA IT continues to monitor activity in our systems in this regard.

This incident is a timely reminder that all in our school communities should be aware of the measures to take to keep their data secure online.

To support you in being informed please click on the link to read the CEO Cyber Security Incidents Statement as it includes a guide to managing individual cyber security.

Making Jesus Real

"Listening People are Interested in People"

We listen with our eyes as well as our ears. Too many of us today have selective hearing, that is, we can switch off. The "in" word in sport today is "Focus" and we too have to focus on what people are telling us. We would be better students and people if we developed our listening skills ore. A good listening skill to achieve is to ask a question about something your friend has just told you. Did you enjoy it? How long did it take to get there? Were you surprised by how good it was? That shows you that you are interested in what he or she told you. You are then practising being an Active Listener.

Year 2 Assembly

The Year 2 students have been working on persuasive texts throughout the term. This work has helped them develop a very convincing production at their assembly this morning. Each of the school factions took a turn arguing why their Faction was the best in the school. The jury is still out however as to whether the Dockers or Eagles are the better team! The Assembly was a wonderful display of everyone's hard work – well done Year 2's – it was thoroughly entertaining.

Year 5 Christian Service

Yesterday a select number of the Year 5 Students visited Frank Prendergast House to provide Christian Service. Their activities involved gardening and spending time with the elderly. This is an invaluable experience for the children as it provides the opportunity to offer their time to others, developing a rapport with people other than their peers and family and giving witness to Making Jesus Real.
