SCHOOL MANTRA 2019

"Find happiness in making others happy" – Mary MacKillop

Dear Parents and Carers,

Sunday Gospel Luke 18:9-14

"...for all who exalt themselves will be humbled, but all who humble themselves will be exalted."

In this weekend's gospel, we reflect on the meaning and importance of humility. When we brag about how great we think we are, it places all of the attention on our own power and neglects the importance of God's work in our lives. Although it is easy to get caught up in pride for what we do and how, it is more important to be humble and recognise God as the source of our strength. Our heart's intentions are what matter to the Lord. We can be happy in things we do, but we need to be sure we are doing them for God.

Colour Run

Today we hosted our very first Colour Run event, with all money raised going towards exciting school projects, such as the new Nature playground, as well as supporting the Year 6 Graduation. Thank you to all those families who have generously gathered sponsorship funds so far. Please note, all donations will need to be finalised on or before Friday 15th November (Week 5), with student prizes being delivered by the end of the term. A special thank you must go to Michelle Hall for her incredible help in

coordinating the event, as well as the many other volunteers who donated their time and equipment on the day. We are looking forward to sharing photos of this colourful event in next week's newsletter!

Nature Playground

Last term, the Nature Playground committee met with several contractors who each brought an interesting scope of work. However, in meeting with the team from Nature Play Solutions, the committee was in strong agreeance that the needs of the community and the opportunity for creativity and fun was most effectively addressed. We are very excited to announce that work on the new playground will commence **next Wednesday (30th October)** with the space due to be completed by the end of the term.

The playground will include: balancing logs, steppers and rocks; a timber fort with rope climb, netting and firepole; monkey bars for upper body strength; a yarning circle/meeting space; creative play 'cubby house'; a water play area including timber water toughs and carved logs; interwoven rope and logs for balancing; as well as much more! A big thank you to the Playground Committee for their work in bringing this project to life.

Book Week

On Monday morning, we celebrate Book Week with our annual Book Week Parade at 9am. We look forward to seeing all children from K- 6 dressed as their favourite book character! Also, a friendly reminder to head to the library Bookfair from Monday to Wednesday to view a selection of books and other fun items. Opening hours are 8-9am and 2:30-3:30pm. See you there!

Interschool Spelling Bee

Next Thursday the top three spellers across Years 4-6 from five schools will come together for the Interschool Spelling Bee finals at St Vincent's Catholic Primary School. A big thank you to Miss McNally for coordinating this event. We wish these wonderful students the very best of luck!

Congratulations

A BIG congratulations to Ryan Donnelly on being recognised for a prestigious award at the South Fremantle District Presentation Night last Friday night. Ryan won the **South Fremantle District Primary School Ambassador of the Year Award for 2019**. This district contains 75 primary schools and roughly the same amount of AFL School Ambassadors, so it is a fantastic achievement by Ryan to be recognised in this way. Well done, Ryan, we are very proud!

Welcome back

On Monday we welcome back Miss Kalat from her well-deserved break in Shanghai. We hope it was a relaxing and enjoyable trip! You were greatly missed.

Wishing you all a wonderful and safe weekend!

Nicole Woodhouse

Acting Principal

Religious Education

2B's Photo from the Big Book of Love and Hope

Religious Education

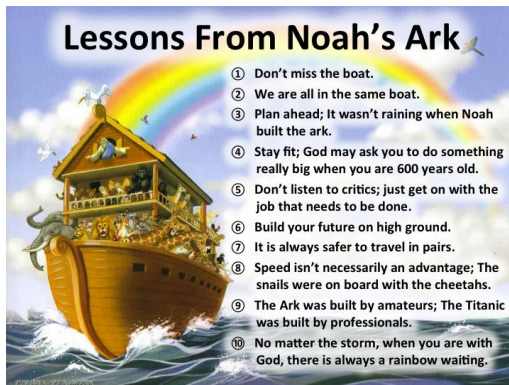

The Greatest Book of All!

The Bible for many reasons could be held up as the greatest book of all. The Bible is God's Word, it is His message directly to us! It tells us Who God is, what He thinks, and what His will is for us! In reading the Bible we come to know God intimately.

As parents, God entrusts us with the great responsibility and sacred privilege of teaching our children not only about Him, but also how we should live our lives. When our kids have questions about how to handle the daily pressures they face in school, about how they should treat their friends, their classmates, and their parents, about whether something is right or wrong, we have the privilege of coming alongside and counselling them, but we also get to teach them to ask God for wisdom and direct them to the Bible for answers.

(Extract from 'Why our Kids Need the Bible' by Romana Vincent)

Our Office prayer focus showcases the story of Noah's Ark from the Old Testament. There are many lessons from this story we can take into our own lives.

Vinnies Christmas Appeal

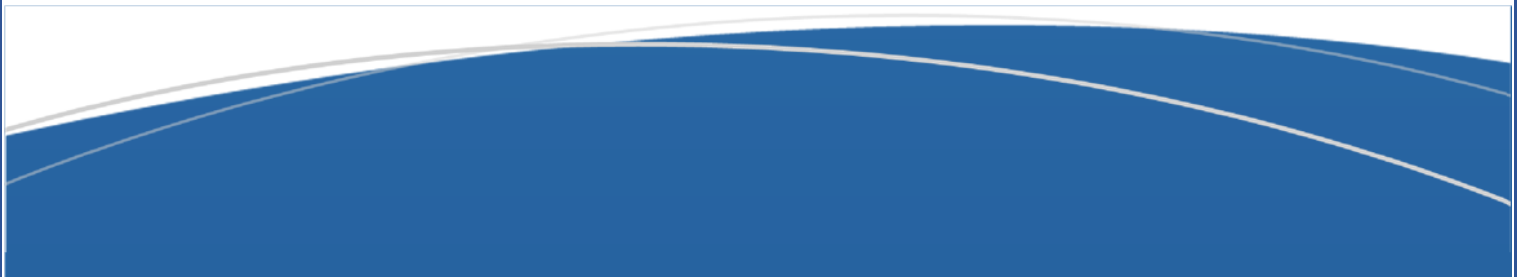

Next week we launch our Vinnies Christmas Appeal. The appeal will run for three weeks. During this time, we request students to bring in a food item to be put towards a hamper to be gifted to a local community family in need. We have set ourselves the ambitious target of making up 50 hampers. Further information is attached to this newsletter and will come out via your child's class SeeSaw page on Monday.

Altar Servers at Mater Christi

Last term, Father Joseph visited with the Year 4 and 5 students to discuss the opportunity of Altar Serving at the School Masses. If this is something that is of interest to your child, please click on the following link to complete the form required to register an interest. <http://bit.ly/2n4z8Ee>

God Bless,

Mrs Southwell (Assistant Principal) Religious Education

'TIS IS THE SEASON TO BE GIVING

VINNIES CHRISTMAS APPEAL

28 October - 15 November

This year Mater Christi are hoping to put together 50 hampers to support local families in need. Each student is asked to donate a non-perishable food item for their class hampers.

Vinnies have requested certain food items for each hamper. Each class will assign an item to your child to ensure we can make up the hampers. Additional food items will also be warmly received.

Thank you in advance for your generosity.

What's Happening at School This Term

Early Learning Centre

Another fun filled term in the ELC! We have new friends come and join us to play and learn with.

This term, we will be discussing the topics 'Feelings', 'Creepie Crawlies' and 'Advent/Christmas'. Social and emotional skill development will be a priority, including listening to our friends and teachers, following instructions along with asking and answering questions. In addition, we will explore several concepts throughout the term, including discussing Making Jesus Real by being like our friend Jesus, name recognition, learning the names of colours, counting skills to 10, and sorting and classifying. Through indoor and outdoor play, the children will be

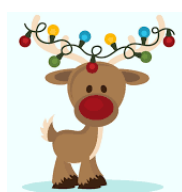

working on developing their gross and fine motor skills. We look forward to working in partnership with all our families for another happy and fun term.

Kind regards, Mandy Jeffery, Karina Minervini and Joanna Rucki.

Kindy

We have a busy and exciting final term ahead!

Focus Areas for this term will be the topics 'Oceans and Rivers', 'Community' and 'Advent/Christmas'. In Religious Education the children will be encouraged to discover God in people and creation through listening

to scripture stories and engaging in 'Godly Play'. The 'Keeping Safe' program will provide opportunities for the children to review their trust networks and role play what they can do in an emergency situation. Oral language will continue to be a strong focus, including speaking in short sentences, news telling, and narrative retell skills. In addition, we will be learning the sounds of the letters S.A.T.P.I.N, M.R.C.H.E.D and F.L.O.B.U.G, developing the ability to sound out three letter words, forming letters of the alphabet using Peggy Lego

prompts, exploring the mathematical concepts of numbers, counting, ordering, sharing, positional language and subitising. In the last few weeks of term we will enjoy many and varied activities based on Christmas.

We will conclude the year by transitioning the children into their new Pre-Primary classes. In celebration of our year together we will come together to have a fun 'Big Day Out' at Manning Park in Spearwood and a Kindy farewell performance in Week 9.

Kind Regards, Kindy Staff

Pre-Primary

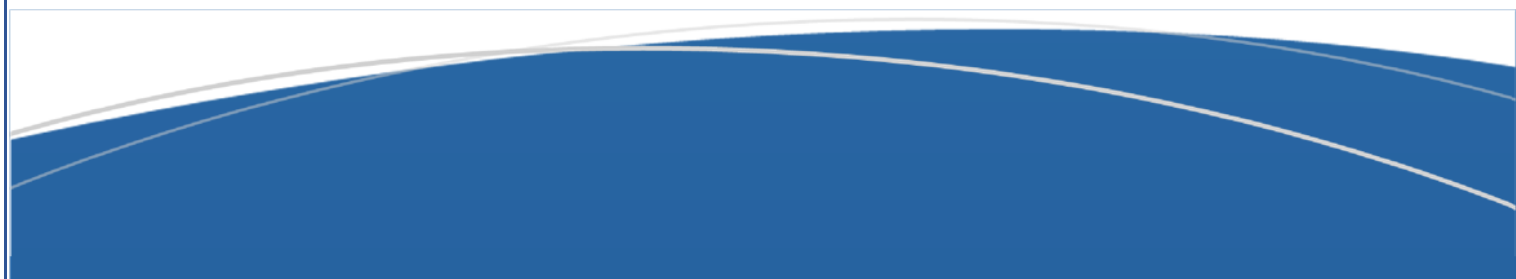

What a busy and exciting term we are going to have in Pre-Primary!

In Religious Education we will be reading a variety of Bible stories, including the Christmas story and discussing how Jesus teaches us how to live. In English, we will be reading all of our favourite classic fairy tales. We will be learning how to retell stories as well as continuing to work towards becoming independent writers, using basic sentence structure and representing key sounds in words. In Mathematics, we will be working on recognising, writing and ordering numbers beyond 20. We will also be responding to simple questions to collect information and make simple inferences.

We are looking forward to another fantastic final term!

Thank you,

Pre-Primary Staff

What's Happening at School This Term

Year 1

Welcome back to Term Four! The children have had a great start to the term. We can not believe how far they have come since the beginning of the year; we are very proud!

Advent is always an exciting time of the year as we prepare to celebrate the birth of Jesus. The units of work we are covering in Religious Education this term include: Just Imagine, Lots of Learning and Prepare. In English, we are looking closely at the features and differences between imaginative, informative and persuasive texts. We are exploring different text types and how to write them, while incorporating VCOP (Vocabulary, Connectives, Openers, Punctuation). We are continuing to learn about different types of sentences such as statements, exclamations and questions. In Mathematics this term, we are focusing on number patterns, fractions as well as statistics and probability. We are continuing to build on the number of mental strategies we can use to solve addition and subtraction problems.

This term in Humanities and Social Sciences, we are focusing on weather and seasons in places around the world. We are also identifying features of the globe, including the location of the equator, northern and southern hemispheres and the poles. We look forward to another fantastic term ahead!

Year 2

Welcome back to our fourth and final term together, we can't believe we are here already! This term promises to be an exciting one. In Inquiry, we are exploring how significant people, buildings and natural environments can teach us about the past as well as look a specific historical site around Australia and their cultural value. In English, we will be revise how to write exposition pieces and narratives. We also will be learning how to write reviews on some of our favourite stories. In Mathematics, we will be focusing on Statistics and Probability, patterns, flips, slides and turns of shapes. In Religion, we will be covering the topics of Empowered to Love and Truth of the Gospel which explore how we show love and Sacraments. We will also be celebrating the time of Advent.

We are looking forward to our final term together.

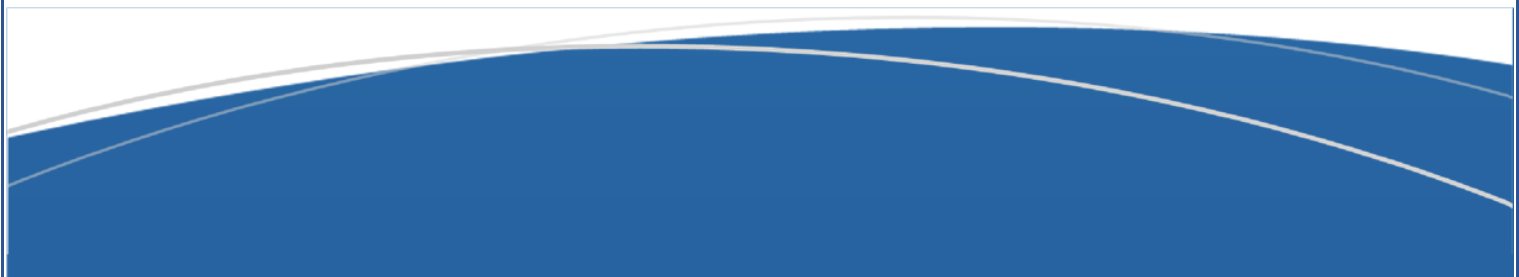

Year 3

The term ahead is definitely a busy one for the Year 3's!

We begin the term with our final students completing their Sacrament of Reconciliation and we move onto our concluding units of Religion work for the year: Water of Life (Baptism) and Gifted by The Word (Advent/Lent). During English, we will tackle both Poetry and Myth, Legends and Fables with the students. Our Mathematics program sees us focus on Statistics and Probability, with students revising and consolidating concepts such as addition, time, subtraction, multiplication and division. Our HASS program

introduces us to the different community groups we are a part of, and we investigate the difference between a rule and law. In Health, we will continue our focus on Protective Behaviours, with a specific focus on the Highway Heroes program. We are looking forward to a fantastic term in Year 3!

What's Happening at School This Term

Year 4

In Religion, Year Four students learn about the role of their conscience and how it helps guide individuals to make the correct choices in life. The students explore sin and how it is breaking one of God's Laws. The Year Four students will explore the rite of Baptism and why Catholics bless themselves with holy water. We will be investigating the different types of prayer, including unpacking formal prayers such as the Our Father and Hail Mary. They will be learning the rosary and explaining its significance to the life of Mary. Year Four will also revise the Nativity story and learn about the significant time in Advent, where we wait and prepare the birth of Jesus. In Mathematics, we will learn to describe everyday events and order their chance of occurring. They will explore the probability of independent and dependent events. They will be revising how to read an analogue clock, converting to digital time and problem-solving elapsed time. Students will also be revising the relationship between multiplication and division, as well as, going over various forms of measurement. In Literacy, the Year Fours will be learning about persuasive writing. They will learn how to structure a persuasive text, present a convincing argument and write using emotive language. The students will continue developing reading skills to assist them in their daily reading: Bias and Prejudice, Fact and Opinion, Sequencing and Summarising to name a few. HASS this term will explore Australia's short but rich history. Students will investigate how clothes, technology, science and behaviours have changed throughout our history using the MyPlace DVD resource. In Design Technologies, students will be combining their designing skills with their powers of persuasion. Students have been tasked with designing and creating a new form of transport. It is their job to design and create a new vehicle and convince their teacher why it should be mass-produced as a form of public transport. Health in Term 4 sees students investigating the tactics of fast food companies in advertising their products. Students will learn about how they sell their products and appeal to varying products, including themselves.

Year 5

It's hard to believe it is Term 4 already! What a way to begin with our brand-new furniture. The flexible learning spaces and interactive layout has already proved popular with the children. We are coming to the end of the year where we are preparing speeches for our 2020 leadership roles. Swimming lessons are quickly approaching, as is our Semester Two reporting period.

Our Religion topics for Term 4 are Church and Advent. In English our main focus in writing will be speech, script and poetry genres. In reading, students will be exploring point of view, bias and prejudice. The Mathematics focus will be Number and Algebra, Chance, Interpreting Data and Problem Solving.

In Civics and Citizenship, we will be investigating democracy and looking at systems of government. In Health, we will be focusing on protective behaviours and learning to identify strategies that help to keep us safe. In Art we are studying the work of artist Margaret Preston to create an Australian native collage. We will end the year with our Annual Christmas concert and our Big Day Out to Willetton Sports Centre and the movies. Full steam ahead for a busy term!

What's Happening at School This Term

Year 6

The Year Sixes have made it to their final term in primary school and the atmosphere in the lobby is absolutely electric. With only a handful of weeks to go before the final goodbye is said to their primary school days, every day holds something fun, exciting and inspiring. There is a lot going on and there isn't much time to take it easy! We have already begun preparing for our graduation with weekly dance lessons and we are enjoying every minute of it. We are deepening our understanding of prayer during Religious Education and are also looking forward to the season of Advent, which is rapidly approaching. In our Numeracy Dedicated Time, we are expanding our knowledge of the Measurement and Geometry strand, by delving deeper into the metric system and converting a variety of metric units. We are continuing to explore and develop our reading comprehension strategies through a focus on synthesising and self-monitoring our fluency, expression and understanding of the texts we read. In Writing, our emphasis is on informative texts as we explore, deconstruct and write a variety of information reports. In Health, we are continuing to examine the Keeping Safe Program, with a specific focus on protective strategies. Humanities and Social Sciences leads us into applying our knowledge of Economics and Business, by looking at the ways businesses provide goods and services to consumers and how our financial choices can impact the sustainability of the environment. The Year Sixes are ecstatic about their final term in primary school and before they know it, they will be heading into high school. Hold on tight as this term will fly by before your eyes.

Physical Education

Term Four is a short one, but we are going to pack a lot of things into it. The students will get to try their hands at a number of different sports. The Senior students will be partaking in some cricket and ultimate frisbee. The ankle biters (Juniors) will get to play some cricket, do some fundamental movement skills and a variety of frisbee activities. On top of all this action all Year 1 – 6 students will jump into their togs and get wet doing some swimming lessons in the middle of the term. At an Interschool level, the school will be

participating in two carnivals -namely the Athletics and Cricket Carnivals. Training has already commenced for the Interschool Athletics and the students are raring to go.

Ryan Donnelly (PE Specialist)

Drama

This Term in Drama, the students will prepare for the end of year concert. Each year level will go through the process of a rehearsal schedule. Learning choreography, practising, collaborating as a group and putting the song and dance routine together for a performance as a whole school.

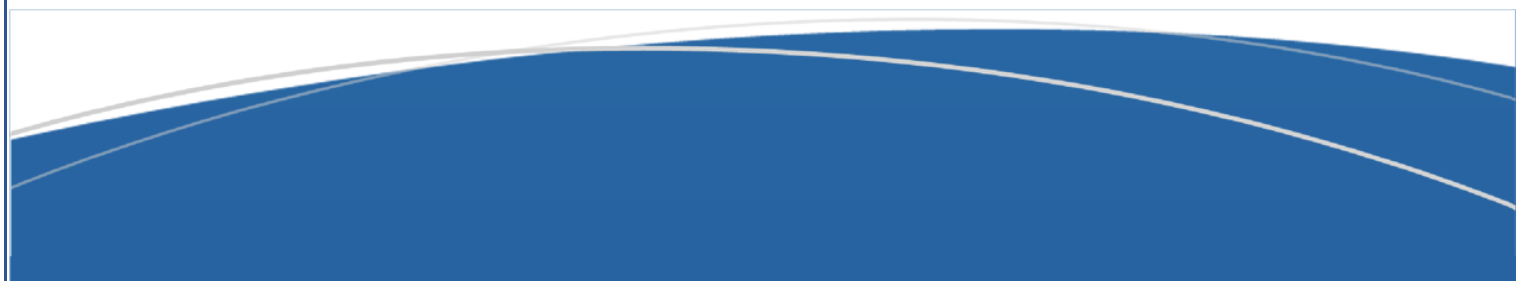

Both Junior and Senior students will also be given the opportunity to further develop their creativity with the focus on Process Drama. Where groups of students collaborate within role-play situations to explore and express ideas with the use of props and materials.

Making Jesus Real

With the beginning of this last term for 2019, the importance of reflection is encouraged as we keep our focus on the important question - Where was Jesus in my Life today?

The students are taught about the importance of including people, about body language, eye contact and the importance of forgiveness and gratitude. With a welcoming attitude and the willingness to say sorry and thank you our students and teachers Make Jesus Real at Mater Christi.

What's Happening at School This Term

Our Focus - Social Decision Making

Developing social decision-making skills helps us to consider the consequences of our actions for ourselves and others and helps us to make thoughtful, effective decisions. This involves:

- Understanding how a social situation makes us feel
- Considering the different choices, along with the positive and negative consequences of these actions, when making a decision
- Making positive choices, while considering how these choices may affect ourselves and others

Through explicit teaching and role play the children will be learning how to respond safely as a bystander in a bullying situation.

The students are learning that to support someone when you see bullying happening has two benefits;

1. It helps the person being bullied
2. It sends a clear message to the person engaging in bullying behaviour that this behaviour is not tolerated in our school.

Mrs Pottier, Drama Specialist

Music

Term 4 is one of our busiest and most exciting times in the school calendar, especially in Music.

During music lessons our students will continue to create and perform their compositions, focusing on the following musical elements: beat, rhythm, dynamics and tempo. We will also be busy rehearsing for the End of Year Christmas Concert. Students from Pre-Primary to Year 6 will prepare for the annual concert during Music and Drama lessons in Term 4. More information regarding times and costumes will be placed in the newsletter later in the term.

Our Instrumental Program is up and running. Forms to learn an instrument in 2020 will go out soon, so please keep an eye out. ***Please note that students do not automatically stay in the Instrumental Program. You must re-enroll your child if they wish to continue in 2020. Please feel free to come and see me in the Music Room if you have any further questions.**

I look forward to seeing you all in the Music Room!

Ms Alison Ross, Music Specialist

SunSmart News

Slip-Slop-Slap

UV levels are now above 3 during school hours (and will continue to be so until April next year) so this is a gentle reminder to please ensure students always have sunscreen on when arriving at school. Each classroom has a tub of sunscreen – please ask the teacher if you/your child is unsure of where it is located so that students can reapply later in the day.

Can You Help?

The Morning Tea Committee are looking for pie warmers to keep the savoury food items warm. Pie warmers were donated by some parents last year so we are asking again this year if anyone would be willing to let us borrow theirs for the event on Thursday Dec 12. Please contact Kate: kategodwin@hotmail.com or 0423 197 614 if you can help.

Swimming Lessons

Compulsory Swimming Lessons at the Cockburn ARC for all children in Years 1-6 commence on Monday 11th November continuing until the end of Week 6. Please remember that each child is required to bring:

- bathers (worn under uniform)
- a towel
- slip on footwear (to be worn to and from the pool only)
- goggles are optional, but highly recommended.

All items are to be clearly labelled and carried to and from the pool in a labelled swimming or plastic bag. Please return the enrolment/medication forms to your child's class teacher as soon as possible. Lessons commencing at 9am will be leaving the school at 8:45am *sharp*.

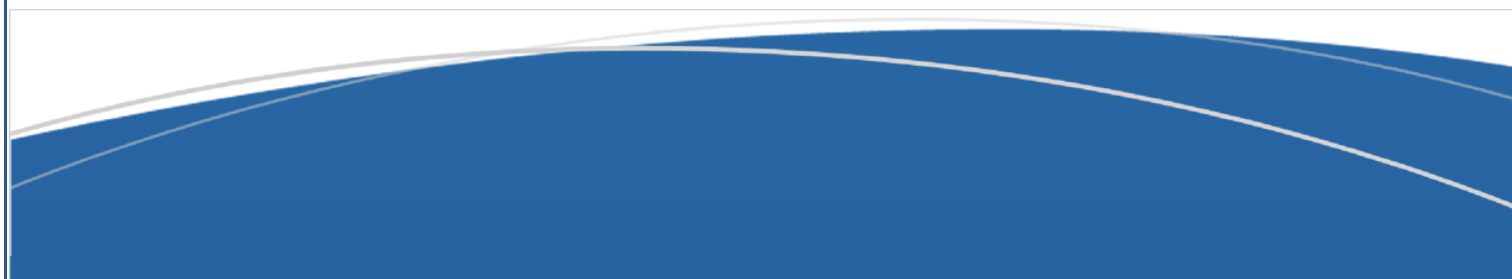

Term 4, 2019 SWIMMING TIMETABLE

Classes Week 5 & 6	Depart School	Lesson Time	Depart Pool	Return to School
3C, 4C & 5C	8.45am	9.00am – 9.40am	9:50am	10.05am
3A, 4A & 5B	9.35am	9.50am – 10.30am	10.40am	10.55am
2C, 3B & 5A	10.25am	10.40am – 11.20am	11.30am	11.45am
1A, 4B & 6A	11.45am	12.00pm – 12.40pm	12.50pm	1.05pm

1C, 2B & 6B	1.25pm	1.40pm – 2.20pm	2.30pm	2.45pm

Interschool Athletics Update

The Mater Christi Marvels have been put through their paces on Monday and Wednesday Mornings. Next week will be the last week of training before we take on the world, so get down there and run, jump and throw like a champion. All athletes who were there on Wednesday will have received a program of events. If you haven't got one and would like one, they are available from the front office. The program can also be accessed on the following url: <https://peatmc.blogspot.com/>

Mr Donnelly

P&F News

WOW!!! What an amazing atmosphere there was today at our first ever colour run! The colours and smiles were aplenty.

A massive thank you to all the parents who volunteered to soak the kids with water and spray the colour, it was amazing. A big thank you has to go to Michelle Hall, for all the organising and running around she did up to and during the event, thank you Michelle, we all really appreciate it! All sponsorship forms need to be completed and received by 15th November along with all cash donations.

We have decided to go with a booking system for our upcoming Mater Christi Family Movie Night, this will help us to make sure we have enough popcorn popped on the evening. Please use the link below to book your tickets. <https://www.stickytickets.com.au/H1PM1>

****NOTE** you only need to book tickets for children attending, adults do not require a ticket or booking**
This event is only open to Mater Christi school children and all children must be supervised by an adult.
Any questions please contact Louise McEntee loobylou_85@hotmail.com

We had our final P&F meeting for the year on Tuesday evening as we await the upcoming AGM on Wednesday 20th November at 7pm in the Mater Christi Community Centre. At this meeting it was confirmed that a number of the P&F executive will be stepping down from their positions so these will need to be filled. Please feel free to contact any one of us to discuss position descriptions or if you would just like some more information about how you can be involved, if you could do 'just one thing' for your child's school, could this be it?

Many hands make light work!

Louise McEntee

P&F Vice President

WONDER PARK (rated PG)

"Buckle up for an epic adventure where anything is possible. A young girl named June with a big imagination makes an incredible discovery -- the amusement park of her dreams has come to life. Filled with the world's wildest rides and operated by fun-loving animals, the excitement never ends. But when trouble hits, June and her misfit team of furry friends begin an unforgettable journey to save the park."

Thank you, Louise McEntee (P&F Vice President)

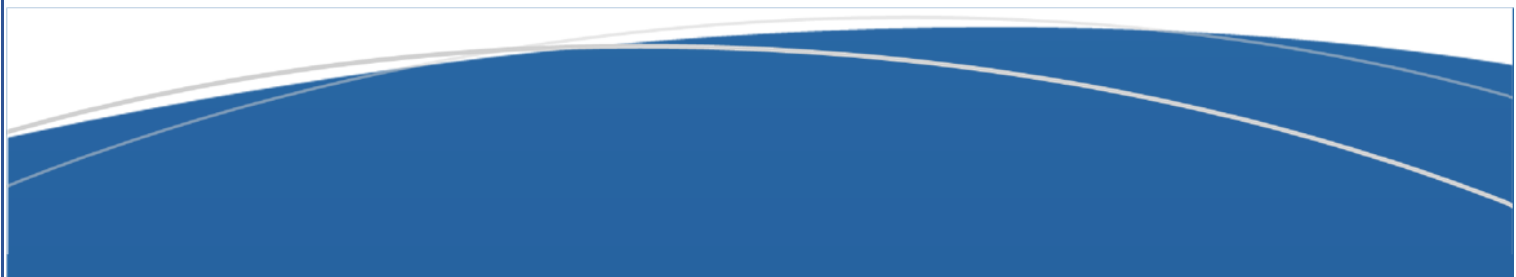

It's time to pop the corn!

MATER CHRISTI FAMILY MOVIE NIGHT

Brought to you by your P and F

Friday 8th November
Doors open 5.30pm
Movie starts 6pm SHARP
Mater Christi Community Centre

Wear your Pjs and bring a beanbag for a relaxing evening watching Wonder Park. Popcorn supplied.
Mater Christi school students only, all children must be accompanied by an adult.
