## **SCHOOL MANTRA 2019**

*"Find happiness in making others happy" – Mary MacKillop*

### **Third Sunday of Advent**

The last two Sundays have seen the lighting of the Advent candles of hope and peace. This Sunday, we light the third candle, the candle of joy. This should be the easy one because joy is all around us in the children, the lights, the music, the gathering together. But how often do we let our preparations or our memories push joy to the side? Joy is like an underground spring that wells up within us, but joy is also a choice, an attitude. Like a muscle, it needs to be exercised. So, this week, we open ourselves to joy, trusting that God has already planted it in us. All we need to do is give it care and offer it to share.

### **A Gem from Pope Francis**

**The true worship of God is always expressed in love of one's neighbour.**

### **Farewell**

Yesterday, Year 6 students celebrated their Graduation Day with a Graduation Mass, Awards, and celebration Ceremony in the company of family, friends, and staff. I thank the Year 6 teachers who have spent much time in preparation for the day as well as Fr Joe, Mrs Southwell, Miss Ross, and the Junior Choir. We wish these children well as they journey into High School. Among our Year 6 families are a large number who are leaving our community as their youngest child is progressing to High School. We thank them for the beautiful way they have contributed to our school over such a long time, and we wish them every blessing for their future.

We sadly say goodbye to Miss Hannah Kolbusz (PPC), Mrs Mann and Ms Perez. These staff have been integral members of our community and have shared their many gifts and talents with so many over the past years. They have touched the lives of so many children. I also thank Mrs Carr and Mrs Rucki (EA's), who will continue as relief staff next year.

### **End of Year Concert**

Can we do any better? The answer – YES, we can. Last night was a testament to the spirit of joy within our community, and as I mentioned last night, it could not have happened without the generosity and dedication of our staff. I want to acknowledge the creativity and awesomeness of Miss Ross and Mrs Pottier, who each year amaze us with their talents. To 'The King' Mr Donnelly; the supportive staff who always put their hand up to help out; Mr Jenkins and Mr Scott who worked tirelessly during the last two days with oval set up, parking and pack up; to the parent volunteers who also assisted with parking – Thank You.

The stars of the show were our students who love to showcase their talents, sing, dance and be on stage. Last night was a wonderful celebration and we have so much to be grateful for and proud of, at Mater Christi.

## Exciting News

Yesterday, Mr John Wilson, The Honourable Member for Fremantle, announced that Mater Christi was successful in receiving a \$20,000 Grant from the Federal Government to assist in the costs for our Nature Playground. 45 Schools in this electorate applied, and the panel pronounced that our 'outstanding application was worthy of the grant'. Congratulations Mater Christi. This grant will help to offset the \$140,000 for the playground.

## Reports

With newly minted reports heading home this week, a reminder that children develop in their own time! Parents need to be positive & encouraging. Remember, education is a marathon, not a sprint. It's a journey of successes and failures, but most of all, it's got to be viewed realistically.

## Project Update: The Lakes Draft Master Plan

Earlier this year, the City of Cockburn asked for your thoughts on the Reserves around Yangebup and Little Rush Lakes (near Mater Christi School) to help inform the development of a draft Master Plan. You shared your ideas on how they could best enhance recreational amenity while maintaining and protecting the environmental value of these spaces. Thank you for taking the time to share your feedback and being a part of this important community project. The development of a draft Master Plan is now complete, and the City invites you to take a look and share your final comments on the plan. Feedback on the draft plan closes on 7 February 2020. [Click here](#) to read more and share your feedback on the draft plan.

## MERRY CHRISTMAS

A school does not exist without everyone working together. This is so evident in all we do here at Mater Christi. I thank our Priests – Father Dat and Father Joe for their presence within our school and Masses celebrated. I thank the staff – what a fantastic group of people. I am fortunate to be working with such a supportive group – we are blessed with such incredible people in our school looking after your children. I thank you, as parents, of our beautiful children – they are a credit to you. Please be proud of them and tell them you love them. I thank you for the confidence which you have in our school, to work with you for the education of your children. And to the children themselves, the reason the staff come to work each day. It is evident that they love our school, and I thank them for wholeheartedly engaging in all we do – they make the school the great place that it is.

## Religious Education

At the conclusion of my first year at Mater Christi I would like to extend my gratitude to the students, staff and out into the wider MCCPS community for your welcome and all that you have assisted me with in 2019. In closing off the year I would like to draw from and reword a small section of the Assistant Principals' farewell message to the Year 6 students.

*As the students gather each day within their classrooms, we aspire to establish an environment that is safe, supportive, and hospitable where we make Jesus real in our deeds and in our words. The community of Mater Christi Catholic Primary School is an extension of family and this is evidenced in a myriad of ways on a daily basis. As your child leaves their home for school each day, they know they enter Mater Christi, ready for learning, and recognised as a highly valued member of our community.*

*This year's school mantra were words from Mary MacKillop; 'Find happiness in making others happy'! Throughout the year, students and staff and wider community, were asked to reflect on these words and live this message. This message could be seen in the smiles, stories and actions we all shared with each other. There was much joy in many of the school events and celebrations and to see each of the students and staff congratulating each other or offering a hand in support, smiling and laughing brought life to our mantra.*

*Finally, in closing the year as the students move into the summer holidays, I encourage them to remember the word WEST.*

- Be **Welcoming** to your parents if they are working while you are playing, greet them at the door with a 'Hello Mum, hello Dad! How was your day?' First before you move into you list of wants...remember to they want to hear about your day as well.
- Be **Encouraging** to those around you, assist with the housework and play fairly with your siblings.
- Say **Sorry** when you have done wrong, this shows your strength of character.
- Say **Thanks** often and to the many people who will do so many things for and with you over the holidays.

Wishing many blessings to all this Christmas and a relaxing, joyous holiday.

Mrs Southwell

(Assistant Principal) Religious Education

**Congrats**

Congratulations to all the Mater Christi community for making 2019 such a successful year for recycling! With the support of the children, parents and staff we recycled a whopping 4500 coffee pods, 4 boxes of bottle lids and 20+ bin bags of soft plastic in just 6 months. We also turned 170kg of fruit and vegetable scraps into worm food.

Well done to everyone who contributed to the recycling program. Let's look to make 2020 even better!
