## **SCHOOL MANTRA 2017**

'Never see a need without doing something about it.'

Mary of the Cross MacKillop

Dear Parents and Caregivers

### **First Week of Advent**

This Sunday we commence the Church's Season of Advent. Whilst there have been Christmas decorations in the shops for weeks now, it is important that we remember why we have Christmas in the first place. Advent is a time of preparation, hope and waiting for the birth of Jesus.

In the readings at Mass during Advent, we will hear of the story of the Annunciation.

It is a story that we know well. Basically, Mary said 'Yes', to the angel Gabriel – but what was she saying yes to?

This is an amazing story of unconditional faith and trust. An angel visits a Jewish girl. She is to be married to Joseph in the near future. The angel comes to her and says that she will give birth to a baby, not any baby, but the Son of God. By saying yes, she is risking becoming an outcast by Joseph and his community. But she says yes – yes to giving birth to Jesus. And as we have said many times in the Hail Mary,

*"Blessed is the fruit of your womb, Jesus!"*

This story tells us about faith and trust. With God, all things are possible. God is beyond our understanding and we need to trust in God, and have faith. Mary, who would have been frightened with the angel's appearance, does not totally understand God's ways, but says *"Let what you have said be done"*.

We too do not understand God's ways, but our faith calls us to believe in God.

*Loving God, as we enter this Advent season,  
We open all the dark places in our lives and memories  
to the healing light of Christ.*

*Show us the creative power of hope.*

*Prepare our hearts to be transformed by you,  
That we may walk in the light of Christ. Amen*

## School Reports

Reports will be available next week on Wednesday afternoon. I thank the teachers who have spent much time in the thoughtful writing of them. This is a long task. The Leadership Team and I have enjoyed reading each child's report and seeing how they have applied themselves over the last six months, and made good and steady progress.

Please view our website <http://www.mcps.wa.edu.au/> and click on the CONEQT link then login to view your child's/ren's report.

## Thanksgiving Mass

As a community of faith, it was very fitting that we end our school year with a Thanksgiving Mass, acknowledge our Year Six students and the staff who will be leaving Mater Christi at the end of this year. A lovely morning tea in the Community Centre followed this where we especially acknowledged two beautiful people – Sr Emmanuel and Mrs Dunsire. Thank you to Tina Stevens and her team for coordinating a lovely celebration. Thank you to so many of you who came along to be part of this special event.

## School Uniform

At this time of the year, many children are beginning to grow out of their shoes and uniform with parents wisely waiting to buy new ones until the end of January. Coming home next week will be a copy of the Uniform Policy clearly stating the types of black school shoes and predominantly white sport shoes (jogger/sneaker) the children are to wear. Please read the policy carefully and look at the example images, as this will assist you in purchasing the correct shoes and explaining to your child why they can't have certain types of colourful sports shoes. Fad haircuts are best left for the Christmas school holidays including half a side of long hair and half a side short hair. Upon acceptance of enrolment to Mater Christi Catholic Primary School, all parents acknowledged that they would adhere to School Policies. The School Uniform Policy is an important one and I thank you for following this policy.

In 2018, the Uniform Shop will be open on Monday 29 January and Tuesday 30 January from 9am to 1pm.

## Congratulations

We now have our third staff baby due in 2018. Congratulations to Mrs Kirsty Cunningham and hubby Darren, on the very happy news that they are expecting their first child in May next year. Kirsty's heart is full of joy and the smile is very broad. We all wish them every blessing as they await the arrival of 'Baby Cunningham'.

## Parking

***We have been notified that the City of Cockburn Ranger has been alerted by residents and police on patrol to the fact that some of our parents have begun using the Yangebup Road section in front of our school and the cul de sac as a parking area. This is a non-parking area for us. Please use the top section of the oval for any overflow of parking, the grassed verge in front of the church and be patient in waiting for one another so that you won't be handed an Infringement Notice by the Ranger.***

MercyCare is a leading not-for-profit Catholic provider of aged care, family, health, disability and community services. We understand how important it is for people to remain independent in their own home, and with the many changes that have occurred in aged care over the past few years, we know that this can be a very confusing, overwhelming time for everyone. Our Community and Home Support services are here to simplify the process. We have a range of flexible services, and can even help individuals over the age of 65yrs to access Government funded assistance.

Support can include everything from social activities, keeping up with household tasks, and even in-home nursing and medication management. Support is also available to carers when the time comes to take a break. Please contact **Samantha** from MercyCare to discuss the options that are available to help you and your loved ones.
