## **School Mantra 2017**

**'Never see a need without doing something about it.'**

*Mary of the Cross MacKillop*

Dear Parents and Carers

## **Holy Week**

This Sunday begins the greatest week on our church's calendar. On Palm or Passion Sunday we listen to the story of Jesus' imprisonment, persecution and death. It is a sad story. Our faith tells us that Jesus beat death and as a consequence he has given hope for all who believe in him.

You would have noticed over the last five weeks of Lent that one word was missing from every Mass. This word is "Alleluia". In basic terms this means, "Praise the Lord". This word comes to life again on Easter Sunday because our faith tells us that Jesus rises from death after three days. We say Alleluia for it is reserved only for the one who is Christ our Lord, the Son of God.

*"On the third day after your death, you rise again Jesus, you return to life in glory. Death could not hold you.*

*Alleluia, Alleluia, Jesus is risen, he is alive."*

## **Interschool Swimming Carnival**

On Tuesday Mr Donnelly and Mrs Kelly together with about 30 competitors participated in the Interschool Swimming Carnival in Rockingham. It was a perfect day to be in the water, competing for your school and attempting to achieve your personal best. Well done to all our swimmers and congratulations in placing third overall.

## **Edudance**

How incredibly talented are our children and what fun they had in showcasing a terms hard work of dance practice to parents, grandparents and family members during this week. A very special thank you to the three teachers – Tracey Voysey, Hannah Harn and Emily Botje. I'm not sure how these ladies can teach 30 children all the moves; remain smiling and just so positive all the time. They seem to have as much fun as the children. All have commented that they love coming to Mater Christi, on how well mannered, appreciative and wonderful our children are. This is not something they experience at every school. I hope everyone appreciated the new seating arrangements for the concerts. It was an experiment and one that worked very well. Thank you to Miss Cloutt for coordinating this incursion for our school

### Parent Teacher Interviews

I know that the staff slept well last night and that you have appreciated the knowledge they have on your child, their strengths, how they have been extended or supported and where to for next term. It is important that parents also understand that you are able to make an appointment to see your child's teacher during the term at a mutual time to discuss their progress or any concerns you may have. The classroom teacher should always be the first person you speak to, as they know your child best within the school.

### Thank you and Best Wishes

From all of us to **Sally Van Pelt** (Admin Officer), we say thank you and farewell. Sally has been the gentle and warm face and voice of Mater Christi for the last two years. We all wish her every happiness as she embarks on new opportunities and adventures.

To **Lauren and Joel Boland** as they prepare to welcome their first child early next term. We all wish you every blessing and we know that your baby will be very blessed to have you as parents. Lauren, thank you for the way you have taught and cared for each of your students. They all know how special they are and that they mattered to you. We look forward in welcoming you back to Mater Christi with your new baby for a visit in the near future.

### Winter Uniform

From the beginning of Term Two, the children in Years One - Six return to school in their full winter uniform. Please refer to the school website which lists the uniform requirements for both the girls and boys. Thank you to Ilonka Heinzle, our Uniform Manager for making sure that all orders are filled promptly and in helping parents with second hand uniforms.

### Top Oval Parking

As of next term the top oval will be open and available for parking every day. We will see how this goes and if there may be a need to close it again for a short time to allow the grass and surface area to replenish. Thank you to Anthony, Luke and Edward who have nursed the area back to good health and possible use. This will also help to alleviate some parking before and after school.

### Congratulations

Last week Isabella Campeotto competed in the Hong Kong International Irish Dance Premiership. Even though she is only ten she WON the Under 12's age group. She also won four Gold Medals, Silver, Bronze and another first place trophy for other sections she entered. Congratulations Isabella, what a star you are!

**Wishing all our families a very Blessed Easter and Happy Holidays.**

**The staff and I look forward in welcoming you back to Term Two on Wednesday 26 April.**

***God Bless... Toni Kalat***

During the school holidays student Georgia Farnan heads to London for her much awaited appointment at King's College Hospital for a Central Motor Conduction Time Test. The family have utilized funds raised by Mater Christi Community last year. Georgia's parent are very grateful for the the communities support.

*Our prayers are with all these families and those in our community who are in need.*

## Religious Education

### **6<sup>th</sup> Week of Lent – Project Compassion – brings you Aloma's story**

When Typhoon Santi destroyed her home in coastal Philippines, Aloma feared for her family's safety and their future. Extreme weather events such as typhoons and cyclones are a common occurrence in this country, threatening the safety and food security of many families.

In the Philippines, GDP per capita is around one-tenth that of Australia's, and life expectancy is around 14 years lower. Poverty is the single most important factor determining vulnerability to natural disasters, which makes communities like Aloma's particularly vulnerable.

However, confidence began to replace fear for Aloma as she began participating in the Integrated Community Development Program (ICDP) in 2011. The program, run by the Socio Pastoral Action Center Foundation Inc., is supported by Caritas Australia. It helps communities to prepare for disasters, and adopt environmentally friendly practices.

Aloma's training in disaster risk reduction empowered her to take a leadership role in her community in caring for the environment. She manages logistics during natural disasters, and encourages the families in her village to plant mangroves for land conservation.

The program also offers guidance on working together for the common good. As a result, Aloma says, "All the skills that I learned, I pass on to friends and neighbours."

Aloma's community now cares for their common home together, and Aloma sees a brighter future for her children.

**Your donation to Caritas Australia's Project Compassion provides support to programs such as the Integrated Community Development Program (ICDP) [www.caritas.org.au](http://www.caritas.org.au)**

**Best Wishes**

## Holy Week

Next week, the first week of school holidays, is the final week of Lent – Holy Week. It is a time for entering into the Passion, Death and Resurrection of Jesus, a time for new life and growth. During this week let us unite in prayer as we pray:

Lord Jesus Christ, in this sacred and solemn week when we see again the depth and mystery of your redeeming love, help us to follow where you go, to stop where you stumble, to listen when you cry, to hurt as you suffer, to bow our heads in sorrow as you die, so that, when you are raised to life again, we may share in your endless joy. Amen.

## Mothers' Day Mass 2017

In Week Three next term, we will be celebrating our Mother's Day Mass on **Friday 12<sup>th</sup> May** at **9am** in the Church.

We would like to conclude the Mass by sharing a power point of all the wonderful mothers in our school.

If you have a nice photo of you and your child/ren, we would love you to email it to us at [admin@mcps.wa.edu.au](mailto:admin@mcps.wa.edu.au) by **Wednesday 3<sup>rd</sup> May 2017**.

Thank you!

## Mothers' Day Stall

If any Dads would like to volunteer one or two hours of their time on **Friday 12<sup>th</sup> May** to serve at the Mothers' Day Stall in the undercover area, please contact Karen Simons on 0400 859 091 or [tassie47@hotmail.com](mailto:tassie47@hotmail.com)

## Cooking Club

During the term the cooking club kids have had a wonderful time.

We have been learning lots of different skills but our main skill was mixing ingredients.

It is a work in progress with lots of practice needed to ensure correct skills have been achieved.

The children have baked things like Smores, Creamy Macaroni and Cheese and lots of other treats.

They are able to taste their wares and even take a little something for their teachers.

Last Thursday the children made chocolate eggs and then decorated them.

As you can see they had the time of their lives.

## Interschool Swimming Carnival

On Tuesday, thirty of the schools best swimmers participated in the C.P.S.S.A Interschool Swimming Carnival, which was held at the Rockingham Aquatic Centre. The weather was glorious. It was perfect for swimmers and spectators alike and it was ideal for the inspirational Mater Christi Marlins Swim Team to heat up the water and show the world their sizzling talents.

At the end of a day of spirited competition, the Mater Christi Marlins had given everything. Some of our swimmers raced in every event scheduled for their age group, which is a magnificent test of endurance and heart. During the day, we had some fantastic individual and relay results.

Two Year Five stars Nicholas Ettridge and Maia Clayden swam beautifully and came away with Champion and Runner Up Champion medallions. What an effort!

The Mater Christi Marlins ended up coming a brilliant third amongst a super-tough field where only a handful of points separated second and fourth.

A big thank you must go to the swimmers who participated so well and trained so intensely. Another thank you to all the parents that attended training or gave lifts to children and to those that supported us on the Friday. Thanks also go to Mrs Kelly for helping on the day. Don't forget to bring back your shirts ASAP.

**Have an Awesome Easter Holiday and Go the Dockers!**

## Walk For Autism

A big thank you to the Mater Christi Community for supporting Zac and team Zac Attack in the Autism Walk for Awareness launch. Over 120 people came (many from Mater Christi) on Sunday to walk around Bibra Lake to help raise awareness for Autism. In addition \$551.50 was raised for this important cause. Special mention goes to the year six teachers who also came to support, this was very heart warming to see.
