## **School Mantra 2017**

**'Never see a need without doing something about it.'**  
Mary, of the Cross MacKillop

Dear Parents and Carers

*Our Father in heaven  
Bless these ashes  
May they be a sign that we belong to you  
and that we love you.  
Help us to keep faithful and true to the Gospel.*

**Ash Wednesday** marks the beginning of Lent, a season in the life of the Church which is a time of preparation for the great feast of Easter. It is a time to reflect on our lives, our relationship with God and with each other. It is an opportunity to put God's values back where they belong and in so doing find the peace that only God can bring. The three main themes of Lent are **prayer, fasting** and **alms giving**. As Lent begins next week, we are reminded to be faithful to the Gospels. We can be guided along this journey by such Gospel values as

*Love, Hope, Trust, Service, Forgiveness, Peace, Respect, Acceptance, Compassion and Justice*

Lent is a special time where it is an opportunity to stop and reflect on how we live our lives. Lent gives us the opportunity to think of our commitment to our faith a little more and the effort we put into it. Through our life how do we go about building that relationship with our God. Perhaps there is an opportunity to go to Mass during the week, make a visit to our Church before or after school or even take a little time to reach out to someone in need.

**The Sign of the Cross Pamphlet** The Sign of the Cross is a very simple yet profound form of prayer. It is a great tradition not only in the Catholic Church but also in many others. Please take the time to read through the pamphlet that accompanies the newsletter to fully understand and appreciate this beautiful prayer – as some days this may be the prayer that sustains us and keeps us going and also welcoming Jesus into our day. You may like to share aspects of your reading with your child/ren.

**Year Four Assembly** This morning our talented Year Four children and their gifted teachers entertained all of us with a humorous poem 'Jack and the Beanstalk' by Roald Dahl. Thank you so much to Mrs Barker, Mrs Boland and Mr O'Reilly in preparing their brilliant actors for this event. It was a great showcase of the talent we have at Mater Christi.

**Year Six Leadership Day** On Monday the Year Six students will be taking part in a Leadership Development Day. Mr Mark Clayden, (our Board Chair and one of our parents) will lead the students through a variety of activities to help them broaden their understanding of leadership, the skills and attitudes that they all need to nurture and practice so as to be people whom others look to and look up to.

**Wellness Week:** Week Five of every term is Wellness Week. During next week there is no homework for the children and no meetings for teachers. There are a number of staff and children who are unwell at the moment so Wellness Week is very timely.

**Free Dress Thursday** Next Thursday is the last day of Week Five as all staff have Professional Development on Friday 3 March. All children are able to wear Free Dress and to assist in putting into practice our mantra 'Never see a need without doing something about it' everyone is invited to bring in a gold coin or two and the money raised will go to Caritas (Project Compassion).

**God bless**

Our prayers and sympathies to

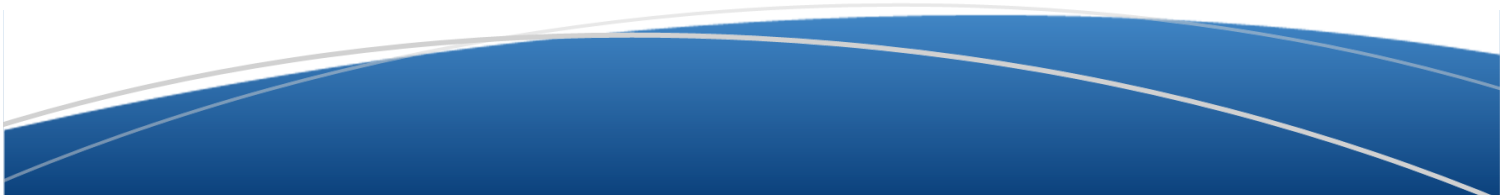

Mr and Mrs De Abreu, Anthony (6A), Joshua (4A) and Xavier (PPC) on the loss of their grandmother.

Let us keep the family in our prayers.

May their loved ones rest in the peace and love of God.

Our prayers are with all these families and those in our community who are in need.

## Religious Education

### Ash Wednesday

Lent begins on **Wednesday 1<sup>st</sup> March**. Lent is a penitential season of prayer, self denial and helping others. Ash Wednesday and Good Friday are days of fasting and abstinence. On Ash Wednesday, we will celebrate Mass, be marked with a cross of ashes and be reminded to "turn away from sin and be faithful to the Gospel." This reminder is also an invitation to reflect on how we might live Lent this year. Mass will be celebrated at Mater Christi Church at 9am. All are most welcome.

### Project Compassion

Each year Lent offers us the opportunity to share what we have with those who have less. This year's Lenten season theme is 'Love Your Neighbour.' As Pope Francis said, "Love of God and love of neighbour is one and the same thing."

Every classroom has a small Project Compassion money box. By donating to the project compassion box, you will be helping to empower our world's most vulnerable neighbours to grow stronger and share their strengths with their communities, to build a better future for our common home.

## Parish News

### Sacramental Program 2017

Thank you to the students and their families who collected Sacrament Enrolment Forms at Mass last weekend.

**We now invite you to join us at a Parish Mass this weekend to return your completed Enrolment Forms.**

We look forward to seeing you on **Saturday 25<sup>th</sup> February at 6:00pm OR Sunday 26<sup>th</sup> February at 10:00am.**

## Emmanuel Catholic College Enviro Club

The Emmanuel Litter Task Force would like to invite students from Mater Christi Catholic Primary School to join the Enviro Club for 2017.

### History

In 2011 Emmanuel started a committee to deal with litter and waste in the College. Since then, students have been involved in leadership opportunities, workshops, creating and maintaining the College garden, worm farms and recycling programs covering paper, cans and mobile phones.

The Emmanuel Environmental Leadership Squad (EELS) has won a number of awards and has worked to gain and maintain accreditation as a Waste Wise and Keep Australia Beautiful Clean school. In 2014, the Litter Task Force won the Keep Australia Beautiful STAR Youth Achievement Award as well as the overall Chairman's Award for Excellence. In 2015 the College won a Highly Commended Award at the Waste Authority's Infinity Awards in both the categories of Waste Wise Schools and Waste Champion (Lee Durrant 2014 Environmental Captain). In 2016 the College won the Waste Authority's Infinity Awards in both the categories of Waste Wise Schools and Waste Champion (Mrs Kylie Kingdon).

### Enviro Club

Created in 2013, the Enviro Club is aimed at year 7-9 students and looks at the practical side of the environmental programs at the College. The Enviro Club maintains the worm farms, organises the can recycling and looks after the College veggie garden. Students bond over afternoon tea before heading off to complete a number of environmentally friendly tasks to help close the waste cycle. Students get to take home the produce they have helped grow. In previous years we had a bumper harvest of celery, lettuce, beans, chives and parsley to name a few. Students also got to take home tomato plants, cuttings from various plants and their own little worm farm.

### Partnership with Mater Christi Catholic Primary School

We would like to offer the high school students a chance to develop their environmental leadership whilst teaching Mater Christi Catholic Primary students the importance of recycling, worm farming and how to reduce the amount of waste produced. This is based on an environmental education model called 'Kids Teaching Kids'. The older students will be involved in planning the activities and teaching the younger students how to complete the tasks.

We would invite students onto the Emmanuel campus for these sessions. Parents would need to transport their children from Mater Christi Catholic Primary School to the Emmanuel campus. Parents are more than welcome to stay or they can drop students off and collect them from the campus at the end of the session from the front of the College.

Sessions run fortnightly on Tuesday afternoons. Afternoon tea starts at 3:40pm with Enviro Club activities usually starting around 3:45pm. Sessions finish at 4:45pm unless started otherwise. Once your child has signed up a program of dates will be sent to you with fortnightly email reminders.

If you would like more information, please feel free to contact Mrs Kylie Kingdon at Emmanuel Catholic College on 9414 4000 or via email ([kingdon.kylie@emmanuel.wa.edu.au](mailto:kingdon.kylie@emmanuel.wa.edu.au))

# Board Newsletter Report

## February 2017

I would like to extend a belated, but warm welcome back to all our families from the Mater Christi Primary School Board. The Board met for the first time this week in preparation for a busy 2017.

Your board members for the 2017 school year are

**PRINCIPAL**

**CHAIRPERSON**

**VICE CHAIRPERSON**

**TREASURER**

**SECRETARY**

**P&F BOARD REPRESENTATIVE**

**PARISH PRIEST**

**MEMBERS**

Mr Julian Symons

Mr Thomas Heinzle

Miss Toni Kalat

Mr Mark Clayden

Mr Francois Langlois

Mr Brad Pymont

Mrs Jodi Hampel

Mrs Karen Simons

Fr Dat Vuong

Mr Dinny Kutty

Mr Luke Zammit

The Board has many goals that we hope to achieve this year and one is to improve our communication with the Mater Christi community. After each meeting we will provide the community with a brief overview of the meeting discussions so you, the families, have a greater appreciation of what is happening within the school.

**First 4 weeks!!**

A huge thank you to all the staff at the school for their efforts in getting the school year up and running. The feedback on school events such as the parent information evening and sacramental masses were discussed and suggestions have been made for improvements in 2018.

**Oval development**

The Board will be considering options into the continued development of the oval as an improved space for both our Mater Christi community and our Yangebup neighbourhood. These considerations will need to be discussed with the Cockburn Council as we look to work together on several projects in the future. Most notably increasing the parking facilities and improved sun protection in playground areas on the oval.

**School Improvement Plan**

Another goal of the Board is to complete a review of the schools building and facilities to determine if the physical structures are providing our students with the best possible learning environments. This has already been seen in many new upgrades to buildings and rooms but as the staff continue to recommend innovative and contemporary teaching strategies the Board must also continue to make sure they have the facilities to achieve this.

**New CEWA Accounting Procedures**

The Finance committee has done a fantastic job in working through the introduction of the new accounting system requirements. It will continue to be a learning project for the Board but we are very confident in the people working with this at the school and the support that CEWA is giving us.

## P&F News

Welcome to week four of term!

Many of you may not know me, my name is Teresa Lawson, I am the President of the Mater Christi Parents and Friends Association.

This year we have set some specific goals for the P&F.

- 1: To Communicate more effectively with the Mater Christi community
- 2: To be more inclusive, inviting and available to our families.
- 3: To provide events to enhance community spirit and to provide relevant Guest Speakers to support families in parenting and childrens' development.
- 4: To financially support the school by providing additional educational resources and materials.

We will be using this space in the newsletter to keep you up to date on what is happening within the P&F and any events coming up.

If you have any feedback for the P&F, any queries you would like answered or would like to be involved in any way, be it big or small please feel free to send us an email at [pandf@mcps.wa.edu.au](mailto:pandf@mcps.wa.edu.au) or leave a message in the Parent Feedback box in the library, in the Parents Section.

I would like to let everyone know of one of the ways the P&F contributes to the school and your child's education. Each year the teachers, leadership team and specialist teachers develop a list of additional resources and tools that will support and enhance the childrens' learning and development. This list is then given to the P&F and together we decide how we can contribute. In some previous years we have worked through and chosen specific items that we have been able to fund, in the case of last year we were able to provide funding for all of the resources and requests on the list. A brief summary of the list is shown below for your information.

On top of this last year the P&F also provided \$11,500 worth of new home readers, we hope the children are enjoying them.

### P&F WISHLIST 2016

20 February 2017

Dear Catholic school communities

On Thursday, 16 February, the Royal Commission into Institutional Responses to Child Sexual Abuse released the full report of its survey results on claims made against Catholic organisations for alleged child sexual abuse.

The public release of this information has finally provided a voice for the victims of abuse and has justifiably been deeply distressing and confronting for Catholics and society in general. As a Catholic education community in Western Australia and nationally, we are profoundly saddened and shamed by the failures of so many in our Church to care for our children and young people.

It is my deepest hope that the challenging work of the Royal Commission, and its findings, will help heal some of the unimaginable pain of the victims of this abuse. As a Catholic community, we acknowledge the victims who have come forward and shared their stories, and we thank them for their extraordinary bravery and willingness to help Australians understand what happened to them.

As the Archbishop of Perth, the Most Rev Archbishop Timothy Costelloe SDB, has expressed, *"each substantiated case represents a child or young person who had their innocence stolen from them, nearly always with devastating and long lasting effects on their lives. Each incidence of sexual abuse by a priest represents a chilling and destructive betrayal of everything the Catholic Church purports to stand for. Beyond the almost unimaginable suffering of the victims and survivors of this abuse, the circle of suffering widens out to include their families, their friends and the wider community."*

As a father with children in Catholic schools, I am aware of the burden that is carried by our schools and learning communities at this time. I acknowledge the damaging impact this has on the faith of many in our communities, but also the trust and confidence that families have in Catholic education.

To provide some reassurance to our Catholic education community, I accepted an invitation from the Royal Commission to participate on a panel with other members of Catholic Education in Australia. My participation last Thursday focused on the governance structures in Catholic Education Western Australia, as well as current child-protection and child-safety policies and procedures in Catholic schools.

Significantly, it illuminated the ongoing work of our schools to ensure the safety and wellbeing of all students in our care remains our highest priority. In summarising the panel discussions, Royal Commission Chair, The Hon Justice Peter McClellan AM, acknowledged the important role our schools play in providing safe learning environments and commended Catholic Education for its commitment to child safety.

I remain enlivened by the deep commitment of Principals, teachers and staff in our schools who reinforce our policies with strong pastoral support and focus on maintaining safe and engaging learning environments where all students can flourish.

This is a time of real change, a time to recognise the opportunity of healing and hope that the Royal Commission provides not only our Catholic community but our society as a whole. It allows us individually, and as Catholic learning communities, to reflect on the healing that is taking place.

This transformation will be a journey, but it is equally an imperative for Catholic Education Western Australia. I am confident that we will emerge from this time of deep reconciliation as a faith-filled Catholic education system; filled with determination and commitment to provide all students with the knowledge, skills, hope, optimism, and a Catholic worldview, to live meaningful lives, and shape and enrich the world.

As we continue to focus on our purpose of transforming learning for all, I thank you for entrusting your child's learning to one of 163 Catholic schools in Western Australia.

Yours sincerely

Tim McDonald

## Rainbows

When something significant happens in the family, the whole family is affected. Even though death and divorce appears to be a grown up problem, it does have a profound effect on the children it touches. Rainbows is a program designed especially for children who are living in single parent families, or families going through significant transitions.

Rainbows fosters emotional healing among children grieving a loss from a life-altering crisis or other significant changes in their life. Rainbows provides a safe, confidential and caring environment for young people to sort through their pain and confusion, build self-esteem and learn coping tools to deal with their change, loss and grief. The goal is to assist participants in expressing feelings, understand and talk about these feelings and to learn to let go of them and get on with living. The facilitator assists the participants in expressing feelings.

The program consists of twelve weekly sessions conducted during school hours. This year the staff member trained to facilitate the Rainbows Program is Michelle Romano. If you are interested in your child participating, please email [admin@mcps.wa.edu.au](mailto:admin@mcps.wa.edu.au) or speak to your child's classroom teacher.

## Parking

Thank you for remembering to reverse park! It is the safest option.

Parking information is on the school website. If you have a towbar, please try to reverse park short of the brick paving on the oval side, so that walkers can get safely past your vehicle. Please do **not** park on the grass or paving around the school.

Please be mindful of the signs at the end of the cul du sac asking **not to park in front of the gates entering the reserve** and remember to park only in designated parking bays
