

# Mater Christi Catholic Primary School

Volume 34

4th November 2016

Dear Parents and Carers

## Friday's Grandparents Day

On Friday we welcome all Grandparents to our school to spend some special time with their grandchildren by taking a walk through their classrooms from 12.00pm – 12.30pm followed by lunch. The undercover area, classroom lobbies as well as the Community Centre will be available depending on the weather. Everyone is most welcome to come along and join in this significant event in the life of our children, families and school.

## Annual General Meeting

Everyone is invited to come along and share in the success of 2016 and also hear about the plans for 2017. There are positions on the School Board and P&F Executive that I would really encourage you to consider nominating for. If you are unsure about any of these positions, please speak with Amanda Burke or a member on one of the Executive Committees. By coming along to the AGM, you will have an opportunity to hear about the importance that these two groups hold within our school community.

## Volunteers' Morning Tea

So many of you would have received an invitation from our teachers to the Volunteers' Morning Tea on Monday 28 November at 9am. We greatly appreciate the support and assistance given to all classes by you our parents and we would like to show our appreciation by having you join us for this special occasion. For those new to our school, our Volunteers' Morning Tea is a nice way to honour parents/guardians who have been helpful in some way throughout the year.

Everyone is most welcome and we hope to see you there.

I am sure that all those who came along to the Afternoon on the Green had a truly wonderful time. Thank you again to the organising committee and the P&F for supporting this community event.

Congratulations to Miss Kirsty McClusky who in the presence of so many of her Year 1B students celebrated her wedding to Darren Cunningham. We wish both Kirsty and Darren every blessing as they commence married life together. Goodbye Miss McClusky and welcome Mrs Cunningham.

## Remembrance Day

Assembly on Friday we will acknowledge Remembrance Day.

**FYI:** An armistice to end the fighting of World War 1 became effective at 11am 11th November 1918, and as the guns fell silent on the Western Front in France and Belgium, four years of hostilities ended. More than 416 000 Australians volunteered for service in World War I. Of these, 324 000 served overseas. More than 60 000 Australians were killed, including 45 000 who died on the Western Front in France and Belgium and more than 8 000 who died on the Gallipoli Peninsula in Turkey. In Australia and other allied countries, including New Zealand, Canada and the United States, 11 November became known as Armistice Day – a day to remember all men and women who served for their country in war.

Students are encouraged to wear a sprig of rosemary on this day.

Why do we wear rosemary on Anzac/Remembrance day? Since ancient times this aromatic herb has been believed to have properties to improve the memory. Perhaps, because of this, rosemary became an emblem of both fidelity and remembrance in literature and folklore. Traditionally, sprigs of rosemary are worn on Anzac Day and sometimes on Remembrance Day, and are usually handed out by Legacy and the RSL. Rosemary has particular significance for Australians, as it is found growing wild on the Gallipoli peninsula.

***God Bless... Toni Kalat***

## Religious Education

### Reconciliation Certificates

This weekend we have our third group of students receiving the Sacrament of Reconciliation. Once children have received the Sacrament of Reconciliation they can collect their certificates in the Church foyer prior to the commencement of Mass over the weekend – Saturday at 6pm, Sunday at 8am, 10am and 5pm. At each of the Masses, Father Dat will formally congratulate the children and the congregation will also acknowledge them. It is important that the certificate is collected, as this document will be needed to enrol in the First Communion Mass next year.

### Mass

Thank you to all the parents, family members and friends that were able to join us for the Mass on Tuesday, 1 November to celebrate the Feast of All Saints. The Saints were special people who loved Jesus and shared His love with others.

### Grandparents Lunch

The staff and students are looking forward to our annual Grandparents lunch this Friday, 11 November. All classrooms will be open from 12pm and lunch will begin at 12.30pm. All grandparents are invited to bring along lunch to share with their grandchildren. Tea and coffee, will be available free of charge just outside the canteen.

### Best wishes

## Attention all Pre-Primary Parents

You would have received a letter from your teacher this week regarding the try-ons for your child's uniform to go into Year One. Please read it carefully and add your name to the lists that I have placed at the Uniform Shop. This is your opportunity to come in and have 15 minutes for your child to try on and purchase their uniforms for next year.

Please secure your spot early so as to avoid long queues and waiting times. Even if you would like to come and see what size your child would be and then order online, it is still advisable to add your name to the list.

## Interschool Athletics Carnival

The first instalment of the Interschool Athletics Carnival was held on Monday 31<sup>st</sup> October at Santich Oval.

Day One of the Carnival saw the 400m, jumping, shot put and turbo-jav events being contested. We started the 400m events with our brilliant Year Three athletes and continued to dominate. In an amazing display a lot of our 400m runners managed to finish in the top four which brings with it maximum points.

The rest of the day comprised a rotation between the jumping and throwing events. We even had Annie Mann, Deacon Ayres, Isaac Slater and Mitchell East join the action, which was great to see!

After a fierce day of competition Mater Christ were sitting in the lead by a very handy 55 points. Here are a few of the athletes that placed in the Top Five.

Shot Put	Long Jump	Turbo Jav	Assisted Events
Zoe Perez (4 <sup>th</sup> )	Maddy Hadley (3 <sup>rd</sup> )	Maddy Hadley (3 <sup>rd</sup> )	Mitchell East (1 <sup>st</sup> )
Maia Clayden (1 <sup>st</sup> )	CJ Murray-Smith (2 <sup>nd</sup> )	Peter Wright (1 <sup>st</sup> )	Deacon Ayres (2 <sup>nd</sup> )
Kuleng Forgol (1 <sup>st</sup> )	Zach Zammit (2 <sup>nd</sup> )	Maia Clayden (3 <sup>rd</sup> )	Isaac Slater (1 <sup>st</sup> )
Brayden Treasure (2 <sup>nd</sup> )	Kuleng Forgol (4 <sup>th</sup> )	Thomas Rich (4 <sup>th</sup> )	Annie Mann (1 <sup>st</sup> )
Annabelle Stokes (4 <sup>th</sup> )	Jacob O'Brien (3 <sup>rd</sup> )	Braxton-Lee Henri (3 <sup>rd</sup> )	
Madeline Artemis (2 <sup>nd</sup> )	Riley Lawton (1 <sup>st</sup> )		
Charles Betts (2 <sup>nd</sup> )	Lachlan Collins (5 <sup>th</sup> )		

The second day of the Interschool Athletics Carnival was held on Thursday. The day commenced with the 200m sprints. Mater Christi had some fantastic results with all our runners giving everything. Next on the programme were the 80m and 100m events. Again the athletes from Mater Christi excelled and gave the other schools a real run for their money. At this stage of the carnival the score was tight.

The day was rounded off by the team events in Multi-Age Relay, Leaderball and the Circular Relay.

The Mixed Leaderball and both types of relay events are difficult events because any small mistakes are punished. Another harsh reality is that there are only four place getters and with nine schools competing, it is a real battle to score points. Each Year group pushed themselves to get the most out of their bodies. We had some superb results.

## Interschool Athletics Carnival Continued

At the end of two days of intense competition the Mater Christi crew had done themselves proud. With nine schools competing it was going to be close. After a tough two days we were hoping to regain the shield, which we relinquished last year. Going into the relays and leaderball we were in the lead but we had to hold our nerve. With some outstanding running and leaderball skills the Mater Christi athletes came home strong and blitzed the opposition. The Mighty Mater Christi Mongooses regained the title as the best athletes in town. The whole team should be proud of the way they competed fiercely and in the right spirit.

While everyone competed brilliantly, we did have three standout athletes.

Athlete	Year	Medal
Madison Hadley	4	Champion
Stanley Brown	5	Champion
Riley Lawton	6	Champion

Finally, a big thank you must go to Mrs Johnson who coached and prepared the students magnificently. This is a massive job and she did it beautifully. To Miss Cloutt, Mrs Dunsire, Mrs Rich well done! You kept the chargers switched on and ready on both days. Another thank you must also go to all those who came down each day to cheer. Top stuff!

**HPE Specialist**

## NRL State Championships

After coming 2nd in the Interschool League Tag Carnival, several participants in year six and a few year five students were given the privilege to represent Mater Christi in the NRL State Championships on the 14th of September. We were all so excited, and after training on Monday, Tuesday, Wednesday and Friday at Lunch, we were prepared and ready to dominate. It was a split boy girl team with Mrs Williamson as our coach. Our first game was a little bit rusty, but our following four games went smoothly. We were very successful in the games we played. We came first in our pool, which meant we then had to play in the quarter-finals which took us to the semi-finals, and after winning that we were into the grand finals. It was a very intense game against Waikiki taking us to the last minute where the score was two all.

Then out of nowhere, Cohen Monteiro scored the winning try.

When the fulltime siren blew, Mater Christi went ballistic, jumping around and cheering. Though exhausted from playing ten games straight, that didn't stop us from celebrating. It was a fantastic day and a great experience for all of us. We would like to thank our wonderful coach Mrs Williamson for coaching our team and buying us Frozen Cokes. Go Mater Christi!

## P&F News

Last Friday the P&F hosted "An Afternoon on the Green" for the whole school community to enjoy. We would like to thank the school community for their overwhelming support for the event. A lot of time and effort went into organising the event and without the community support it would not have been a success.

On behalf of the school community, a huge thank you goes to the coordinators of the event - Kelly Carradus and Michelle Hall, who with their team of helpers in Leonie Jones, Teresa Lawson, Michelle Pelliccione, Karen Simons and Kylie Galipo, worked tirelessly to stage the event. We really appreciate the determination and effort these ladies put in to ensure the event was a success.

A big thanks also goes to Amanda, School Admin, Anthony and all the MC Teachers for their valuable help and support. Similarly, there were many volunteers without whom the event would not have gone so smoothly. The help of the volunteers who assisted at the P&F stand, the high school students who helped out in various roles and those who helped with coordinating parking, lighting and rubbish collection at the end of the night such as Belinda Stokes, Jarrod Galipo, Trampas Hall and Dave Jones (apologies to anyone who has not been mentioned) was very much appreciated.

Further thanks goes to the following businesses and individuals for their generous donations:

Helloworld Bullcreek, Fran Logan MLA, Adventure World, Woolworths, Toyworld Success and Onsite Rental Group Kwinana (lighting).

As this was the P&F's first Afternoon on the Green, we are aware we can make some changes to improve it for the future.

Please if you have the time can you complete the survey at the below link. All feedback is welcomed as it will assist the committee in organising the next

## MATHEMATICS ACCELERATION PROGRAM: YEAR 7, 2017

**Corpus Christi College, Bateman**, is continuing to cater for the most Mathematics students by offering Acceleration Programs in Years 7-9. Many boys and girls start secondary school with a mathematical understanding beyond that required in the Year 7 Western Australian Curriculum. It is our belief that these students, with the proper guidance, would benefit from undertaking an Accelerated Program which focuses on the Year 8 Western Australian Curriculum.

There are numerous benefits to accelerating students appropriately, such as improving their skills and motivation, and creating opportunities in their pathways of study through to Senior School.

Any current Year Six student wishing to be considered for the Mathematics Acceleration Program in 2017 is invited to complete an assessment at the College on Saturday 12 November. This assessment is designed to identify students who possess the innate ability to cope with challenging Mathematics.

This opportunity is open to students who are currently enrolled at the College for commencement in 2017, as well as those who are not currently enrolled but who are considering attending the College in 2017. For further information about this program, please contact the College at [fitaliano@corpus.wa.edu.au](mailto:fitaliano@corpus.wa.edu.au)
